Ohio Counties Crack Down on Gambling

(By Associated Press)

Local officials in several communities today opened fire in a gathering war on gambling.

The crackdown followed a verbal attack by Gov. Frank J. Lausche last Saturday on what he called "the multi-million dollar racket."

His reference to the "notorious, habitual, commercial-sized gambling institutions" occurred as state Senate committees opened hearings on two anti-gambling bills. They would empower the governor to remove sheriffs derelict in their duties and authorize padlocking of habitual gambling places.

In Lawrence county, one of four mentioned by Lausche, Common Pleas Judge James Collier ordered a special grand jury investigating gambling to "get the real culprits."

"It is common talk," the judge said, "that gambling interests are buying protection by paying off officials from constables on up.

"If you find evidence," he instructed the jury, "get the real culprits, the owners of the buildings and the operators, not some minor employe paid to sweep out the place.

"I am asking you to get those at the top. This is no flurry. If it is necessary to keep the grand jury in special session to break up organized gambling in this county, that is exactly what will be done."

Gov. Lausche named the Continental club at Chesapeake, Lawrence county, as one of the state's notorious gambling houses. Judge Collier did not refer to the Continental club, but said of Lausche's attack:

"I do not think that any self-respecting, law-abiding citizen in this county relishes being listed as one of the four counties in the state where big-time gambling is rampant."

The jury, after convening for the first time yesterday, recessed until Wednesday when Prosecutor Louis Sheridan said he would have more information and witnesses.

In Lake county, Prosecutor Tom Blakely said he would "make every possible effort" to close the swank Mounds club, also mentioned by Lausche.

The club is closed, but is expected to re-open this spring after the return of Florida vacationers.

The club, located near Painesville, was held up in 1947 by 12 masked gunmen who took a reported $300,000.

Blakely said he and Sheriff Paul Cage were "in complete agreement on gambling conditions and in particular on closing the Mounds club."

"The place," Blakely declared, "is not going to run unmolested.

In Geauga county, where Lausche condemned the Pettibone club, Sheriff Stewart Harland objected to the Senate bill giving the governor a check on sheriffs.

"I feel that Geauga county is capable of electing its own officers rather than having Columbus tell who it should have," Harland said.

The sheriff made no mention of the Pettibone club, but added:

"Any time I do not handle the job according to the wishes of the Geauga county people there is a ballot box and Geauga voters know how to use it."

The Jungle Inn located in Trumbull county was the fourth place named by Lausche.

SENATORS HEAR RECORD FILIBUSTER

Rent Bill Fighting Underway

House Leaders Muster Forces

WASHINGTON — (UP) — House administration leaders were using every device at their command today in a last-minute bid for votes for the rent control extension bill.

They sent urgent telegrams to all absent Democrats, warning them that controls are in jeopardy and pleading with them to hustle back to the capital to vote.

The vote was set for later today. The administration bill would extend federal rent controls for 15 months beyond the present March 31 expiration date. In the Senate, a subcommittee is working on a similar bill but its fate will depend on how long the filibuster fight lasts.

Administration forces in the House thought their efforts would be successful and that the bill would be passed without what they consider "crippling" amendments.

SEE CLOSE VOTE

They conceded privately, though, that close votes are in prospect on several important amendments as well as on a Republican proposal for sending the bill back to the banking committee with instructions to continue federal rent control for only 90 days.

When the bill came before the House last Friday, Democratic leaders succeeded in voting down the Republican 90-day proposal by a narrow margin—168 to 153. Rep. Jesse P. Wolcott, R., Mich., planned to renew the proposal in the recommital motion and get another vote.

The Democrats were confident they could defeat the recommital motion. But they weren't so sure about an amendment to be offered by a southern Democrat, Rep. John Bell Williams of Mississippi.

Under Williams' proposal any state, county or local governing unit could get out from under the federal law by having its appropriate legislative body adopt a resolution declaring it no longer wanted rent control.

FDR's Son In Politics

NEW YORK — (UP) — Franklin D. Roosevelt jr. today became the first son of the late President to seek public office by agreeing to run for the congressional seat vacated by the death of Rep. Sol Bloom.

The 35-year-old Roosevelt, who resembles his father in looks and manner, will be supported by both the Democratic and Liberal parties, according to political leaders of the 20th district.

Robert B. Blaikie, Democratic leader of the district, said he was sponsoring Roosevelt's candidacy.

For Roosevelt to become the party's standard bearer it will be necessary to obtain the approval of a caucus of district leaders and approval by the Democratic county committee, but Blaikie said he did not expect any opposition in either group.

Winter Delivers New Blow

Winter, which is supposed to bow out next Sunday, made another assault on the Mansfield area today, dropping the mercury to 17 and glazing streets with snow.

Approximately an inch of snow fell during the night and early morning, just enough to pack under car wheels and make driving dangerous.

Cars and trucks stalled at intersections this morning before city workmen could spread salt and cinders on all the downtown streets. The snow was melting at noon although the temperature stood at 21.

A drop to between 10 and 15 degrees was forecast for tonight in this area. Wednesday will be fair and cold.

The five-day forecast is for temperatures averaging three to five degrees below normal. There will be a rising trend Thursday, and colder Friday or Saturday. More snow is likely Thursday and Sunday.

All county roads were open today. Six county trucks spread cinders on hills and other bad spots this morning.

U. N. Finds No Solution

Berlin Blockade Talk Deadlocked

LAKE SUCCESS, N. Y. —(INS) — The United Nations was informed today that efforts to solve the Berlin blockade crisis through a four-power agreement on the city's currency have ended in complete deadlock.

The long-awaited report from the six small powers on the security council's Berlin Currency committee has been given to Dr. Alberto Alvarez, Cuban chairman of the 11-nation body.

Although the neutral experts of the appointed powers—Canada, Syria, Colombia, Belgium, Argentina and China — conferred intermittently in Geneva on the Berlin problem since last December, the report they have now submitted to the U. N. failed to include recomendations and primarily confesses inability to find a solution.

U. N. sources indicate that the stumbling block to agreement again was the inability of the four powers concerned in the dispute—the Unitee States, Britain, France and Russia—to see eye to eye on the Berlin issue.

Issue Warning Against TNT Loaded Radios

LANSING, Mich. —(AP)— State police and government investigators launched an investigation today into the public sale of war surplus radio sets with a concealed explosive charge.

They said more than 1,000 of the sets have been sold in Michigan.

State Police Commissioner Donald S. Leonard warned purchasers to "leave them strictly alone until we can learn how to make them safe. Each one has enough TNT in it to blow a man's head off."

The purpose of the charge, police explained, was to destroy the set to prevent its falling intact into enemy hands during the war.

Flames Sweep Wharf

$1,000,000 Damage Seen

OAKLAND, Cal.—(UP)—A general alarm fire devastated Pier Four of the Oakland army base early today, rocketing scores of oil barrels skyward to explode in flaming bursts.

The fire broke out at 3:02 a. m. (EST). Flames, shooting 500 feet into the air, were visible for miles around San Francisco bay as firemen fought for three hours before bringing them under control.

Only three minor casualties were reported but army and fire department officials estimated the damage at $1,000,000.

Twenty-nine fire engines and nine fireboats fought the holocaust, pumping streams of water into the 2,000-foot-long warehouse and into the bay to keep the oil-slicked water from igniting.

The alarm was sounded by Third Officer James Hughes who spotted the flames from the bridge of the Army Transport Sgt. George Keathley.

SHIPS THREATENED

The Keathley and another transport, the Young America, were endangered as the fire engulfed the warehouse in a matter of minutes. Tugboats pulled them from their docks.

Huge barrels of oil shot 600 feet over the heads of thousands of spectators attracted to the scene. They exploded in the air like rockets with a dull roar and vivid flash of flame. One barrel fell on a parked car.

Some 50 army families fled their quarters just east of the pier. Gangs of soldiers moved automobiles parked nearby.

As the drums exploded, they generated so much heat that firemen had to spray water on the fire trucks to keep them from blistering.

A dense, black pall of smoke rose thousands of feet into the clear, moonlit sky.

The fire silhouetted four fireboats called from San Francisco, Oakland and the base itself to help shoot streams of water on the holocaust.

B-29 Wreckage Seen By Pilot

MANILA — (AP) — A B-29 tanker plane, missing since it refueled the U. S. Air Force's globe-circling B-50 bomber Lucky Lady II March 1 was located today on a mountain peak, Clark field head quarters announced.

No sign of life was seen around the big plane, which was spotted form the air only about 10 feet from the top of a 4,600-foot mountain 20 to 25 miles northeast of Manila, the announcement said.

The plane was sighted by a plane from the 338th Reconnaissance squadron of the 5th Reconnaissance group about 8 a. m. today.

CHILD PRISONER—Gerald Sullivan, 14, grins as he sees his first cat. The boy had been locked in a dungeon-like room for ten years by his mother, seeking to hide her 'secret sin.' The child didn't know whether he was a boy or girl, had never seen a cat or dog, and his tiny 'cell' contained nothing but an old army cot.

New World Opens For Boy

Captive Love Child Free After 10 Years

BOSTON—(AP)—Fourteen-year-old Gerald Sullivan—described by police as a "captive love child" for ten years—clasped to his heart everything that came near him today.

The simplest things—a cat, a dog, and objects familiar to every child—were strange and dear to Gerald.

Police Capt. Francis W. Russell quoted the mother, Mrs. Annie F. Sullivan, 45, as saying the boy was illegitimate.

She told authorities, Russell said, the child had been held in a dungeon-like room for a decade to hide her "secret sin."

She pleaded guilty to a charge of neglect in district court yesterday and was held on $2,000 bond for a hearing tomorrow.

Police quoted the mother as saying she had "hoped to keep it a secret until God might take the child, so it wouldn't bring disgrace on my other children."

The other children—two Marine sons and a young daughter—were unaware of the boy's real identity. Even neighbors did not know of the child's existence.

"DARED NOT ASK"

The eldest—a 20-year-old corporal—told police: "We never knew who the boy was. We dared not ask."

The child lived in a bare room furnished only with a cot. He left it on rare occasions—and then only to go to one of the adjoining rooms with his eldest brother.

He said he "took pity" on the child.

The youngster was picked up Sunday in an alley near his home. He was wearing tatters of two girls' dresses. His long hair fell over his shoulders. He was barefooted.

The youngster escaped from the room in an unguarded moment.

MacArthur Cuts Wires

TOKYO — (INS) — Gen Douglas MacArthur ordered the immediate suspension today of the direct radio-telegraph circuit between Tokyo and Moscow.

The chief of the occupation of Japan gave no specific reason for his action.

His order was addressed to the Japanese government. It stated:

"Due to administrative difficulties no message of any classification will be received or transmitted over the circuit. . .unless otherwise directed by the supreme commander of the allied powers."

The communications section of MacArthur's headquarters refused to comment. It said the background of the general's order was of a "classified character."

Another informed source hinted, however, that some difficulty over account payments caused the suspension order.

King Recuperating

LONDON — (INS) — A Buckingham Palace bulletin said today that King George VI "continues to make satisfactory progress" in convalescing from his recent operation.

Railroads Feel 'Pinch'

Firms Schedule Further Layoffs

PITTSBURGH — (AP) — The nation's railroad economy began feeling the pinch of the coal mine shutdown in earnest today but the remainder of coal-dependent industry hummed merrily.

On the second day of the two-week mine shutdown ordered by President John L. Lewis of the United Mine Workers, coal hauling railroads continued the progressive system of layoffs begun yesterday.

By the end of the week some 62,000 railroaders will be idle—joining the 463,000 soft and hard coal miners who stayed home yesterday.

The steel industry showed no sign of cutting operations.

Lewis called the holiday as a memorial to men killed or injured in the mines last year. He also termed it a protest against appointment of Dr. James Boyd as director of the federal bureau of mines.

Only a few hours after the work stoppage began the Senate's Interior committee approved Boyd's nomination by a 10-1 vote. Lewis didn't comment but one of his lieutenants, John P. Busarello, president of District No. 5, UMW, said at Pittsburgh, "It isn't over yet." He added:

"Boyd still has to be confirmed by the Senate. I'm not so sure he'll get that confirmation."

Indict 2 Policemen

COLUMBUS — (INS) — The Franklin county grand jury today had returned rape indictments against two former Columbus policemen accused of assaulting a 23-year-old woman in a police cruiser.

Held are John B. Taylor and Stephen Verne, both of Columbus.

Claims Deaf Mute 'Talked' About Her

ATLANTA—(UP)—A romantic deaf mute today faced a $50,000 damage suit here because he "talked" too much.

Miss Leile B. Campos filed the suit against Glenson B. Grizzard, also a deaf mute.

She charged that Grizzard was too fast with the finger talk. First, she said, he "talked" too much to her, and then too much about her, all in sign language.

When she meets him with other deaf mutes, Miss Campos claims, they laugh and poke their fingers at her.

Embassies Alerted For 'War Scare'

Russian Troop Moves Revealed

PARIS — (INS) — American embassies, and the French Foreign office are reliably reported "on the alert" today for a new Soviet "war scare" move.

The U. S. State department is understood to have warned its embassies that the Soviets may attempt to stir up a new crisis in hopes of obtaining a pro-Russian settlement of the cold war.

Diplomatic observers believe that the Soviet move may take the form of an occupation of Finland.

French Foreign office spokesmen, on the other hand, suspect that the Kremlin may first attempt to clean house behind the iron curtain and liquidate Marshal Tito—the Peck's bad boy of the satellites — who has flaunted Moscow's authority.

In this connection, a Hungarian businessman—regarded as a reliable source of information—reported in Geneva last night that he saw Soviet motorized units "on a war footing" moving through Budapest toward Yugoslavia.

He said the troop movements took place on March 8, 9, and 10 between 11 p. m. and dawn, and that the Red army men marched along the same invasion route used by the Germans in 1941.

(The London Daily Graphic, in an undated dispatch, quoted allied sources near Trieste as saying that gunfire was audible from across the Yugoslav border, about ten miles from Muggia, south of Trieste.)

Ryan Denies Wiretapping

NEW YORK — (AP) — Multi-millionaire Clendenin J. Ryan, a key figure in the city's political wiretapping mystery, says some people are risking their lives to slip out information on Mayor William O'Dwyer's administration.

Ryan, bitter foe of the mayor, claims to be getting information from "right in the middle of the O'Dwyer camp."

His attorney, John G. Broady, is gathering the date, Ryan said.

Ryan said he told a special grand jury yesterday about the undercover work, to explain why Broady did not answer a subpoena.

Ryan, who has been steaming up a fusion movement to oppose the Democratic mayor if he runs for reelection next fall, has denied being involved in wiretapping—a felony in New York if done without a court order.

Ellender Talks For 12 Hours

Democrats In Partial Defeat

(Compiled From Wire Services)

WASHINGTON — Sen. Ellender (D-La) carried the Dixie banner to victory in the U. S. Senate last night when he set a new record for filibustering, a 12-hour and 21-minute discourse without even pausing for a quorum call.

Red-eyed and weary, members of the Senate tackled the throttling filibuster issue anew today. Last night's session carried on for 14 and one-half hours as southern Democrats pressed their advantage and insisted on an ironclad promise that the gag rule issue will not be raised again at this session.

This would shut off all chance of enactment of Mr. Truman's civil rights program this year.

Majority Leader Lucas (D) Ill., announcing the administration's temporary surrender, said:

"We are perfectly aware that this filibuster can run on for weeks. They (the Southerners) have the manpower to do it. In the meantime, rent control would go out the window, not to mention the log-jam of other legislation."

WARN OF FIGHT

Sen. Russell (D) Ga., floor manager for the Southern bloc, agreed to talk again today to administration and GOP representatives in the hope that a gag-rule "compromise" could be reached. But Russell warned:

"We have already yielded as much as honorable men could and perhaps more than reasonable men should . . . If the Democratic leaders want a knockdown fight we are prepared to give it to them."

Russell told the Senate that he had "very faint hope" of any compromise.

Sen. Chavez (D) N.M., assailed his administration colleagues and the Republicans during the early morning session. He cried:

"We should be ashamed of ourselves, that's what we should be. What the American people are interested in is whether or not the Senate is going to function. They are not interested in maneuvers of the majority leader or the minority leader."

The Senate after a session which became increasingly stormy as the hours went on, finally recessed at 2:25 a. m (EST).

The last two hours of the unusual round-the-clock session, during which cots and blankets were brought in for members facing a possible all night stay, was devoted primarily to washing political linen accumulated in the compromise talks of the last three days.

Summer Home Found Stripped of Goods

City-Wide Sunrise Service

First Easter Morning Scene To Be Reenacted

A second annual city-wide Easter sunrise service will be held at 6:30 a. m. in South park on April 17, members of the Richland county Christian Youth Council announced today.

Plans for the sunrise service are being made jointly with the graduating class of 1949 at Senior high school.

It is planned to have two outstanding youth speakers and a member of the Mansfield Ministerial association assist at the services.

High point of the service will be an Easter dramatization of the scene at the tomb with young people depicting the characters of the first Easter morning.

Since Easter is unusually late, Council members think it should be warm enough to hold the outdoor service but should the weather prove inclements alternate plans are being made for the service to be held in the First Presbyterian church.

The committee on sunrise service arrangements includes Patricia Lindbeck, Patricia Moore, John Priess, Barbara Inscore, Rev. V. C. Stamets and Miss Martha Weimer, senior class adviser.

Richard Van Voorhis, who has been acting as temporary president, now has been named permanent head of the council. Others are Robert Perez, vice president, Patricia Lindbeck, secretary and Patricia Moore, treasurer.

Rev. John G. Gensel, pastor of the St. Paul Lutheran church, is ministerial adviser. A second adviser will be named later.

Shelby Quint Defeats Penn In Gold Medal Meet

Mitsch's Club Wins Preliminary Battle

Shelby Gump's reigned as champion of the first Gold Medal basketball tournament after coming from behind to knock off Penn Auto-Sporting Goods, 44-41, in the tourney finals last night.

Gump's trailed 13-6 at the quarter and an upset looked in the making as Penn continued to lead 26-18 at the half.

Then in the third quarter lightning struck hard. Shelby pumped in points from all over the floor and moved easily to the front. It tallied 17 points to Penn's five to lead 35-31 at the end of the period, and continued to pile up the margin as the fourth quarter opened.

MAKE A BID

Penn, however, finally caught a grip on things and was making another bid when time ran out. Bobby Baker of Penn and Bill Lucas of Shelby tied for scoring honors with 16 points each.

In the consolation preliminary, Frankie Mitsch's Corner Store won over Urschel Insurance. 50-35. Mitsch's had no troubie at all as it led 40-19 at the end of the third quarter.

Eldon Pritchard led Mitsch's with 14 points.

'Stars' Ready For Benefit With Browns

The Mansfield all-stars last night completed preparations for their benefit cage date with the Cleveland Browns' basketball team tomorrow at Senior high school.

The "Stars" walloped the Willard all-stars handily, 52 to 31, after a slow start. Mansfield led at the half, 17 to 14, and at the three-quarter mark, 35 to 26.

Only seven of the 12 Mansfield players broke into the scoring column. Jim "Stretch" Regula was tops with 11 points while Nick Gagich and Eldon Pritchard picked up 10 apiece. The Stars have won three of four.

ALL FOOTBALLERS

All proceeds of tomorrow's battle between the Browns and the Mansfield team will go to the Friendly House gymnasium fund. The Browns club is made up of men who played on the All-America conference football championship team last year.

Otto Graham, the former Northwestern basketball and football all-America, headlines the Browns cast. He will also present the championship trophy to the winner of the preliminary test between the Bulldogs and Grace Gospel. The latter clubs will be playing for the championship of the Friendly House junior tournament.

Tickets for the benefit program are $2 for reserved seats and $1 for general admission. The added ticket cost will insure the Friendly House more money to equip the gymnasium.

Plenty of reserved and general admission tickets will be on sale at the door tomorrow. All reserved seat holders will get a large picture of the Cleveland Browns football club.

squad through a three-hour workout yesterday, although for the first hour of the session the sectional and district champs posed for the photogs.

This evening and tomorrow morning the Tygers will stage two-hour drills on the spacious Toledo hardwood. They will wind up their pre-regional work with a long shooting session Thursday night.

The 1948-49 crew is the third Hoffman has taken to regional play in 10 years. Four other Bengal teams were district runner-ups in the 10-year span. In ten years at Senior high Hoffman-coached teams have won 153 and lost 72.

Captures Title

CORVALLIS, Ore., — (AP) — Oregon State college last night captured the Pacific coast conference basketball championship by beating UCLA, 41-35. The victory gained State a berth in the western NCAA western regional tourney.

Around the Baseball Drill Camps

PASADENA, Calif., — (UP) — The Pittsburgh Pirates sought their fourth victory in as many starts in a game against the Chicago White Sox here today. The Pirates remained unbeaten in the Citrus league by whipping Chicago, 4 to 1, yesterday at San Bernardino.

Bob Chesnes, Bill Wherle and the veteran Hugh Casey held the American leaguers to four hits. Cass Michaels' triple off Chesnes in the second inning after Gordon Goldsberry had walked produced the only sox run. Ed Fitzgerald's triple in the seventh with Wally Westlake on base tied the score. In the eighth the bucs fell on Ernie Groth for three more, with Les Fleming's double the big blow of the inning.

Cliff Chambers, Hal Gregg and Bob Muncrief will pitch for the pirates against Howard Judson, Floyd Bevens and Walter Pierce for Chicago in today's game.

★

Yankees . . .

ST. PETERSBURG, Fla., — (AP) — Allie Reynolds, who figures strongly in the New York Yankee pennant hopes, was scheduled to make his first start of the year today against the St. Louis Cardinals.

Reynolds won 16 games and lost 7 last year after compiling a 19-8 record for the Yanks' 1947 World Champions.

★

Cardinals . . .

ST. PETERSBURG, Fla., — (AP) — The St. Louis Cardinals today still were seeking their first victory in the Grapefruit league.

Woe upon woe is piling up on manager Eddie Dyer. Not only did the Boston Braves blank the birds, 5-0, yesterday, but catcher Del Rice fractured a bone in his right wrist and will be out of action about two weeks.

The cards, who engage the New York Yankees today, have scored but one run in 24 innings.

★

Braves . . .

BRADENTON, Fla., — (AP) — Boston's Braves, who will play the Cincinnati Reds today in a National League pre season exhibition ball game, have several players with Minor hurts.

Listed as ailing among the National league champions are third baseman Bob Elliott with a sore throwing arm, catcher Bill Salkeld with a stiff back, Lefty Warren Spahn with a heel blister, Nels Potter with a slightly stiff shoulder which he says is "customary in the spring," and Phil Masi with stiff leg muscles.

★

Pirates . . .

SAN BARNARDINO, Calif.,— (AP) — Les Fleming, former Cleveland Indian who played with Indianapolis of the American association, will be a cinch to play regular first base for the Pittsburgh Pirates if he continues his present pace.

Yesterday Fleming banged out two hits out of four trips to drive in two runs and insure a 4-1 victory over the Chicago White Sox. Only the day before he doubled twice as the Bucs beat the Chicago Cubs in another exhibition.

Red Sox . . .

SARASOTA, Fla., — (AP) — Boston's Red Sox will revert to practice today, a day off in Grapefruit league play.

The Sox who bested the New York Yankees 4-1 yesterday despite getting only a half dozen hits, will play the St. Louis Cardinals tomorrow. Manager Joe McCarthy hasn't decided the makeup of his team against the Cards but he is almost certain to give several "irregulars" a chance.

★

Reds . . .

TAMPA, Fla., — (AP) — Playing Boston is getting to be a habit with the Cincinnati Reds.

The Redlags split a pair of Red Sox and, after a day of the deadly dull routine drill, they'll take on the Boston Braves here today.

Manager Bucky Walters said he'd send Herman Wehmeier a Cincinnati home town boy, Red Lively and Kenny Brukhart to the mound against the defending National league champions.

★

Tigers . . .

CLEARWATER, Fla., —(UP) — The Detroit Tigers still were seeking their first victory of the spring training season as they sent pitchers Freddy Hutchinson, Saul Rogovin and Lou Kretlow against the Philadelphia Phillies today.

The Phillies, victors over the Tigers in both ends of a weekend series, grabbed a 4 to 3 decision from the Washington Senators yesterday at Orlando on a two-run homer by Eddie Waitkus in the ninth inning.

★

Dodgers . . .

WEST PALM BEACH, Fla., — (UP) — The Brooklyn Dodgers, with negroes Jackie Robinson and Roy Campanella in their lineup, were scheduled to play the Philadelphia Athletics today in a game billed as the first mixed athletic contest in the city's history.

Baseball Goes Before Court 3 Times Today

NEW YORK — (UP) — Organized baseball, which must appear before the Bar of Justice in Federal court today to answer the re-instatement demands of three suspended players, was expected to ask for a delay in the hearings.

Lawyers for the national pastime were reported ready to ask Judge Edward A. Conger for more time in which to prepare their cases and one of the players' lawyers said he was determined to battle grimly against any delay at all in the proceedings.

MUST SHOW WHY

Baseball has been ordered to show up in court and "show cause" to Judge Conger why players Max Lanier, Fred Martin, and Danny Gardella should not be restored at once to active duty in the game.

All three players are under a five-year suspension meted out to them by baseball commissioner A. B. Chandler for jumping to the Mexican league in 1946 Lanier and Martin, in one action, have asked for a court order for immediate reinstatement and Gardella has asked the same thing in another legal action

BeeGee Five Knocks St. Louis Out

NEW YORK—(AP)—Four outsiders who staged perhaps the greatest mass expulsion of favorites in the history of basketball will square off Thursday night in the semi-finals of the national invitation tournament.

Loyola of Chicago will meet Bradley university and Bowling Green of Ohio will face San Francisco in an all-Cinderella team lineup at Madison Square Garden.

Gone are Kentucky, the nation's No. 1 college quintet acclaimed in some quarters as the best ever; defending champion St. Louis university and the two other seeded entries—Utah, No. 3, and Western Kentucky, No. 4.

They went out in one giant sweep of the underdogs' broom in a matinee and evening quarter-final session yesterday that left huge Garden turnouts gasping for air.

TWO ON 'CHECKS'

Two of the survivors are clubs that got into the tournament on rain checks when the committee decided to pick an oversized field —Loyola and Bowling Green.

It was these two teams which knocked over the tournament's top-ranked powers — Kentucky and St. Louis, figured to carry an old rivalry into Saturday's final.

Loyola stunned the Kentucky Wildcats with a great surge in the final minutes, 67 to 56. Bowling Green, big and fast, manhandled a silk-smooth St. Louis, 80 to 74.

To complete the rout, Bradley bowled over Western Kentucky, 95 to 86, and San Francisco, without a senior on its squad, humbled Utah, 64-63, on Frank Kuzara's 35-foot one-hand shot in the last seconds of play.

The Wildcats will come back to New York for the eastern NCAA eliminations Monday night. They play Villanova in one game while Illinois, the Big Nine champion, faces Yale, the Ivy victor, in the other.

Jack Kerris, Loyola's six-foot-six center, kept a firm check on Kentucky's big All-America, Alex Groza, holding him to 12 points and scoreless in the last half. Kerris also tossed in 23 points.

Groza fouled out with five minutes to go in the game. Wallace (Wah Wah) Jones went out earlier on personals.

INDIVIDUAL DUEL

The St. Louis-Bowling Green game featured an individual duel between the Billikens' effortless All-America center, Ed Macauley, and the Falcons' gigantic Chuck Share, who stretches six-feet-11 and weighs 235. Held to three points in the first half, Share connected for 12 in the last for a 15 total. Macauley scored 19

Gene Dudley, a Bowling Green substitute, scored five quick points in the last two minutes to clinch the verdict for the Ohioans when it appeared the see-sawing contest could go either way.

Three Tilts Open Cage Invitational

The program gets under way at 7:30 p.m. with the New Washington Pirates meeting the Bucyrus Moose. Chatfield Independents opposes Urschel Insurance of Mansfield at 8:30 and Mansfield Brass of New Washington battles Shelby Gump's in the third game.

IT'S A NEAT TRICK IF YOU CAN DO IT—But that's what Kenny McCally (left) and Jimmy Anderson of the Senior high Tygers have been doing—boosting an endless stream of basketballs through tournament goals. The two youngsters made the all-district tournament team at Sandusky as McCally scored 37 points in two games and Anderson tallied 33. Senior High Wins With Fine Balance; Anderson, McCally Make Tourney Team

By FRED THARP
(News-Journal Sports Editor)

A fine over-all balance has put the Mansfield Senior high school team where it is today—in the top 16 in Ohio's annual Class A dribble derbies.

And the easiest way to prove it is by the records. Since the five present starters have been molded together as a unit, only two games have gone by the boards and those by a total of three points. The present quintet of Jimmy Anderson, Ed Demyan, Norb Shibinski, Paul Ferguson and Ken McCally started functioning as a well-knit unit with the Akron North contest.

Since then the Tygers have won 12 and lost but two, five of the wins coming along the tournament trail. During that 14-game period the Bengals have scored 801 points, an average of 57.2. Defensively they have allowed 606 points, an average of 43.3. Before that the Tygers had won six and lost five.

Then, too, all-tournament teams give a good indication of balance. Ferguson, Demyan and Shibinski landed on the all-sectional team and the other pair—McCally and Anderson—were listed on the all-district team announced today. In each case every other member of the first five wound up as a second team choice.

The Tygers are a hard working lot and are dead serious about adding the Toledo regional scalp to their tournament victory list. Mansfield meets Bowling Green Friday at 7:30 p. m. in the Toledo U. fieldhouse and, if victorious, will battle for a state tournament berth Saturday night.

Anderson and McCally, a pair of lads who will be back next season, have been the top scorers in each tourney. Anderson topped the sectional field with 38 and McCally got 37 in the two district games. Anderson was second at Sandusky with 33.

Two Bellevue and one Fostoria player joined the torrid Tyger tandem on the all-district squad. Carlos Jackson, Fostoria, teamed with Anderson at forward while Milt Bruckner and Jim Lepley were the Bellevue choices.

McCally and Bruckner were the only unanimous choices. Anderson had four first team ballots but did not place on the fifth.

The top choice on the second team was Ferguson who had one first and four second team votes. Demyan had two first and one second while Shibinski came in with one first and three second. Ted Fox, Bellevue, made one first team but did not place on the other four ballots.

Commercial Keglers Rule Maple Roost

Commercial C leaguers ruled the roost in Mansfield bowlingdom last night as the usually tough Richland A and Club leagues failed to produce any top-drawer scores.

Three C leaguers made the honor roll. Fred Carver of Barnes Meat Market topped the list with a 623 series on games of 196, 181 and 246. His third game tied for single game honors with Jake Streitmater of Urschel Insurance who had other pin counts of 194 and 154 for a 594 series.

Roy Maneese, Wolford Funeral home, came in with 222-190-204—616 Emmett McIntire of Urschel Insurance posted 215-198-196—609.

Local 17 did not have a single outstanding score but moved into a tie for first place as it took two out of three games from the previous leader Mansfield Tire. Both teams now have records of 54-won, 27-lost.

Urschel Insurance swept three from Montgomery Ward and Barnes Market took three from the Orphans to stay within one game of the top.

Joe Frisch led his Grocery team with a 235 single game and 582 series. Bill Black jr., Wolford's, posted 577; R. Adams, Independent Towel, had 575; and Dick Treisch, Barnes, 550.

Bob Henry made news in reverse as he recorded games of 121-201-123.

★

Club leaguers were particularly off form as a 182-192-191—565 by Harry Uplinger of American Legion was tops. Even the usually reliable Art Hilborn sandwiched a fine 242 between games of 150 and 165 for a 557 count.

Team standings took a shuffling as the Lions club fell from the lead by taking a three-game drubbing from Doherty's. University Club won two of three from Paige Dairy to go into a one-game lead. Doherty's, in eighth place, is only three games off the pace of the leaders.

B. Brinning, Amima, tallied 533; R. Harper, Doherty's, 528; Pete Linster, American Legion, 522; and Art Kocher, Page Dairy, 521.

★

Ray Kinton of Williams Transfer won a race for individual honors with Tony Santoro of Sons of Italy in the Richland A loop. Kinton posted 209-198-160—567 against Santoro's 212-169-185—566.

Dale Cleckner, Kozak's Fighting Irish, was in third spot with 534. Leroy Cleckner of the same team cut wood for 532 while Orlie Grable, Richland Recreation, had 522.

★

Donna Schuster of Farmer's Market set the pace for Women's Variety league bowlers with a 534 concocted on games of 156, 182 and 196. Bert Bernert of Penn Auto was close behind with 533 and Evelyn Marshman, current city tournament leader, kicked over 521 pins for Larimore Realty.

No others got over the 500 mark but Helen Wilhelm, South Boulevard's Market came close with 498. South Boulevard's had the only sweep as it took three from Wilson Auto Sales.

★

Godman-Rupp leaguers were led by George Columbus who scattered the maples for 181-177-209—567. Dick Noblet counted 553, Cliff Penrose tallied 545, H. Hildebrand had 539, Earl Turner 530, Don Bachman 504, and Dean Hahn, 501.

★

Yvonne Alt topped the Mansfield Tire Women's league with 121-160-146—427. Others: Mary McCumber, 408; Joanne Jones, 409; Mildred Roof, 407 and Emma Frontz, 402.

★

Ronald Bachman led the John Simpson bowling league with the very respectable scores of 193 and 180 for a 373 total. Forest Wagner was second with 269 and K. Harpster had 242.

★

Lead in the Richland C handicap league went to R. J. Nelson, Vet's Cabs, with 130-201-193—524 while Robert Forsythe, Shenk's Auto, was second with 174-188-145—507.

Others: N. McRwen, Mansfield Lumber, 492; K. Beam, Charm Fashions, 489; J. King, Charm Fashions, 487 and Robert Daugherty, Shenk's Auto, 485.

Charm Fashion took undisputed possession of first place by knocking off third-place Vet's Cabs in two of three games. Schenk's, which had been tied for first, dropped two of three to Mansfield Business school

Tribe Goes One Up On New Yorkers

PHOENIX, Ariz.—(INS)—The Cleveland Indians and New York Giants moved back into Phoenix today for round four of their non-stop spring battle.

Right now, Cleveland holds a two-one edge in victories, by virtue of Cleveland's narrow 7-6 overtime win yesterday, and Manager Lou Boudreau was slated to send Bob Lemon and Sam Zoldak to the mound for a try at improving the mark.

KENNEDY DOES IT

The Tribesmen were forced to go 11 innings against the Giants in Tucson before right field candidate Bob Kennedy rifled a line drive against the left field wall with the bases loaded.

The safety was Kennedy's third hit of the day, and once again stamped him as the leading contender for Allie Clark's right-pasture position. His other two blows included a single and a 370-foot homer over the left field wall of Randolph park.

Several other Redskins also stood out in the day's activities.

Steve Gromek, a pitcher on whom Cleveland is counting this year, went five innings and gave up but two runs. Frank Papish, refugee from the Chicago White Sox, followed Gromek to the hill and permitted the Giants only four hits in the next five frames.

Roy Welmaker, the Negro lefthander in camp on a trial basis, was the eventual winner.

MARSH HOMERS

Fred Marsh, rookie shortstop, joined Kennedy in the batting department with a home run and a single in five times at bat. All in all, the Indians connected for but seven hits off six Giant pitchers.

Al Rosen and Herman Reich were the only other Redskins to hit safely.

Larry Jansen, the Giants' ace, and Andy Hansen were expected to hurl for the Giants today.

Eight Teams Back In Ohio-Indiana League For 1949

COLUMBUS —(AP)— The Ohio-Indiana Baseball league will operate again as an eight-club loop in 1949.

The Richmond, Ind., club got its franchise back yesterday after raising $10,000 to finance another season. Zanesville which lost its franchise at the same time Richmond did, qualified for the league last week.

Zanesville has a working agreement with the Cleveland Indians. The Richmond club will operate independently with Earl Wolgamot as manager and business manager.

Both teams previously lost their franchises when they missed a deadline for notifying the league that they intended to play this year.

Shelby Quint Defeats Penn In Gold Medal Meet

Mitsch's Club Wins Preliminary Battle

Shelby Gump's reigned as champion of the first Gold Medal basketball tournament after coming from behind to knock off Penn Auto-Sporting Goods, 44-41, in the tourney finals last night.

Gump's trailed 13-6 at the quarter and an upset looked in the making as Penn continued to lead 26-18 at the half.

Then in the third quarter lightning struck hard. Shelby pumped in points from all over the floor and moved easily to the front. It tallied 17 points to Penn's five to lead 35-31 at the end of the period, and continued to pile up the margin as the fourth quarter opened.

MAKE A BID

Penn, however, finally caught a grip on things and was making another bid when time ran out. Bobby Baker of Penn and Bill Lucas of Shelby tied for scoring honors with 16 points each.

In the consolation preliminary, Frankie Mitsch's Corner Store won over Urschel Insurance, 50-35. Mitsch's had no trouble at all as it led 40-19 at the end of the third quarter.

Eldon Pritchard led Mitsch's with 14 points.

'Stars' Ready For Benefit With Browns

The Mansfield all-stars last night completed preparations for their benefit cage date with the Cleveland Browns' basketball team tomorrow at Senior high school.

The "Stars" walloped the Willard all-stars handily, 52 to 31, after a slow start. Mansfield led at the half, 17 to 14, and at the three-quarter mark, 35 to 26.

Only seven of the 12 Mansfield players broke into the scoring column. Jim "Stretch" Regula was tops with 11 points while Nick Gagich and Eldon Pritchard picked up 10 apiece. The Stars have won three of four.

ALL FOOTBALLERS

All proceeds of tomorrow's battle between the Browns and the Mansfield team will go to the Friendly House gymnasium fund. The Browns club is made up of men who played on the All-America conference football championship team last year.

Otto Graham, the former Northwestern basketball and football all-America, headlines the Browns cast. He will also present the championship trophy to the winner of the preliminary test between the Bulldogs and Grace Gospel. The latter clubs will be playing for the championship of the Friendly House junior tournament.

Tickets for the benefit program are $2 for reserved seats and $1 for general admission. The added ticket cost will insure the Friendly House more money to equip the gymnasium.

Plenty of reserved and general admission tickets will be on sale at the door tomorrow. All reserved seat holders will get a large picture of the Cleveland Browns football club.

F-H All-Stars Lose Games In Cage Carnival

Two Friendly House all-star teams took trimmings in a basketball carnival staged last on the Friendly House floor.

Westinghouse Stores edged the Senior league stars, 28-26, while the John Simpson Bulldogs walloped the Junior Stars, 46-29. Bowman beat Newman, 13-7, in the third game of the card. The Brinkerhoff grade schoolers had been scheduled to play but cancelled because of illness to four players.

Sport Center Plays In Meet

ASHLAND — Ohio Sport Center will be the only Mansfield representative in the Mid-Ohio Invitational basketball tournament which opens tonight in the Ashland college gym.

The fifteen-team tournament is being sponsored by the varsity "A" club, the college's student athletic organization.

Sport Center, City A league champion, meets Ashland Home company at 8 p.m. tonight in the second game on the card. Boyer Dairy meets Chester in the 7 p.m. opener and Kenmore Knight's take on the Myers Pump "B" squad at 9.

Captures Title

CORVALLIS, Ore., — (AP) — Oregon State college last night captured the Pacific coast conference basketball championship by beating UCLA, 41-35. The victory gained State a berth in the western NCAA western regional tourney.

Around the Baseball Drill Camps

PASADENA, Calif., — (UP) — The Pittsburgh Pirates sought their fourth victory in as many starts in a game against the Chicago White Sox here today. The Pirates remained unbeaten in the Citrus league by whipping Chicago, 4 to 1, yesterday at San Bernardino.

Bob Chesnes, Bill Wherle and the veteran Hugh Casey held the American leaguers to four hits. Cass Michaels' triple off Chesnes in the second inning after Gordon Goldsberry had walked produced the only sox run. Ed Fitzgerald's triple in the seventh with Wally Westlake on base tied the score. In the eighth the bucs fell on Ernie Groth for three more, with Les Fleming's double the big blow of the inning.

Cliff Chambers, Hal Gregg and Bob Muncrief will pitch for the pirates against Howard Judson, Floyd Bevens and Walter Pierce for Chicago in today's game.

★

Yankees . . .

ST. PETERSBURG, Fla., — (AP) — Allie Reynolds, who figures strongly in the New York Yankee pennant hopes, was scheduled to make his first start of the year today against the St. Louis Cardinals.

Reynolds won 16 games and lost 7 last year after compiling a 19-8 record for the Yanks' 1947 World Champions.

★

Cardinals . . .

ST. PETERSBURG, Fla., — (AP) — The St. Louis Cardinals today still were seeking their first victory in the Grapefruit league.

Woe upon woe is piling up on manager Eddie Dyer. Not only did the Boston Braves blank the birds, 5-0, yesterday, but catcher Del Rice fractured a bone in his right wrist and will be out of action about two weeks.

The cards, who engage the New York Yankees today, have scored but one run in 24 innings.

★

Braves . . .

BRADENTON, Fla., — (AP) — Boston's Braves, who will play the Cincinnati Reds today in a National League pre season exhibition ball game, have several players with Minor hurts.

Listed as ailing among the National league champions are third baseman Bob Elliott with a sore throwing arm, catcher Bill Salkeld with a stiff back, Lefty Warren Spahn with a heel blister, Nels Potter with a slightly stiff shoulder which he says is "customary in the spring," and Phil Masi with stiff leg muscles.

★

Pirates . . .

SAN BARNARDINO, Calif., — (AP) — Les Fleming, former Cleveland Indian who played with Indianapolis of the American association, will be a cinch to play regular first base for the Pittsburgh Pirates if he continues his present pace.

Yesterday Fleming banged out two hits out of four trips to drive in two runs and insure a 4-1 victory over the Chicago White Sox. Only the day before he doubled twice as the Bucs beat the Chicago Cubs in another exhibition.

Red Sox . . .

SARASOTA, Fla., — (AP) — Boston's Red Sox will revert to practice today, a day off in Grapefruit league play.

The Sox who bested the New York Yankees 4-1 yesterday despite getting only a half dozen hits, will play the St. Louis Cardinals tomorrow. Manager Joe McCarthy hasn't decided the makeup of his team against the Cards but he is almost certain to give several "irregulars" a chance.

★

Reds . . .

TAMPA, Fla., — (AP) — Playing Boston is getting to be a habit with the Cincinnati Reds.

The Redlags split a pair of Red Sox and, after a day of the deadly dull routine drill, they'll take on the Boston Braves here today.

Manager Bucky Walters said he'd send Herman Wehmeier a Cincinnati home town boy, Red Lively and Kenny Brukhart to the mound against the defending National league champions.

★

Tigers . . .

CLEARWATER, Fla., —(UP) — The Detroit Tigers still were seeking their first victory of the spring training season as they sent pitchers Freddy Hutchinson, Saul Rogovin and Lou Kretlow against the Philadelphia Phillies today.

The Phillies, victors over the Tigers in both ends of a weekend series, grabbed a 4 to 3 decision from the Washington Senators yesterday at Orlando on a two-run homer by Eddie Waitkus in the ninth inning.

★

Dodgers . . .

WEST PALM BEACH, Fla., — (UP) — The Brooklyn Dodgers, with negroes Jackie Robinson and Roy Campanella in their lineup, were scheduled to play the Philadelphia Athletics today in a game billed as the first mixed athletic contest in the city's history.

If sold this week. This home must be sold right away so owner can close option on four bedroom home. This six room frame home is located in the Park area off W. Fourth St. This home was remodeled just a year ago. The plans were drawn by one of Mansfield's safest architects and as a result we have a most attractive eye-appealing interior plus the best use made of all available space. A picture window was added to the sun room, extra windows added in the dining room, and wooden casement windows installed in breakfast nook. This adds up to twice the light and sunshine that is available in the average home. Don't worry about curtains because the windows are equipped with new drapes on cornice-covered traverse rods, all of which goes with the home. The multi-cupboarded kitchen and tile bath are both new with all new plumbing fixtures New lighting fixtures throughout the house. Excellent hardwood floors up and down with the best grade of wall-to-wall carpeting down. The price has been reduced from $14,000 to $12,600 and terms can be arranged if you so desire.

India Keeps Eye On Middle East

On the heels of the Atlantic Pact, which is about to be published, there must come decisions of great consequence affecting the Eastern Mediterranean and the Middle East. There is no argument that the defense of this region against invasion is a vital interest of the United States and its Atlantic allies, as well as an obligation under the Charter.

But there is a question as to whether an attempt shall be made to incorporate Turkey, Iran, the Arab states and Israel into an Anglo-American strategical system, as is planned for Norway, Iceland, and Portugal—or whether they will be permitted to be independent, as are Sweden, Switzerland, and Eire.

Last week Nehru, the Prime Minister of the largest and most influential state in Asia, took a position which may well be decisive in answering this question. Nehru, who has used Indian troops to suppress a railway strike fomented by communists, has nevertheless declared that India "will not join any power or group." India, he added, "is centrally located and nothing can happen in this part of the world without India in it."

That was no idle boast. Without the support of Indian troops and Indian resources, the British position in the Middle East might have been untenable in the recent war. In another war, given the weakness of the British and ourselves in land forces, the position would be even worse.

It is, therefore, elementary prudence that we establish no military policy in the Middle East without consulting India, and recognizing her interests and her influence.

Nehru's position is, moreover in harmony with the foreign policy of the State of Israel. Its policy must in the nature of things be one of political neutrality in the East-West conflict.

Israel can never be a Soviet satellite because it is a maritime state within the orbit of British-American sea power; and because it can draw only upon the western industrial nations for the capital goods needed to develop its territory. But Israel cannot be the political enemy of the Soviet union and of eastern Europe because from there must be drawn the people to populate the country; they can shut the gates to emigration.

POLITICAL ★ NEUTRALITY, like that of Switzerland, is therefore the only course for Israel.

It is also the natural and desirable course for the surrounding Arab states. They are in no condition to endure the strains of a more adventurous policy. We should offer them peace, not the preparation for war. Our aim should not be to use them strategically but to assist them, in accord with Point Four of the President's inaugural address, to lift themselves out of destitution, illiteracy, and disease.

Every day—every hour—millions of tiny red-blood-cells must pour forth from the marrow of your bones to replace those that are worn-out. A low blood count may affect you in several ways: no appetite, underweight, no energy, a general run-down condition, lack of resistance to infection and disease.

To get real relief you must keep up your blood strength. Medical authorities by analysis of the blood, have by positive proof shown that SSS Tonic is amazingly effective in building up low blood strength in non-organic nutritional anemia. This is due to the SSS Tonic formula which contains special and potent activating ingredients.

Army Strength Halved In Past 2 Years

Officer Cites Need For Trained Reserve

The U. S. Army has been slashed to less than one half of its strength two years ago through congressional appropriation reductions, Capt. R. M. Flynn told the Mansfield Exchange club yesterday.

Capt. Flynn, instructor of the Mansfield unit of the Army Organized Reserve, pointed out that the present Army of 670,000 men, as compared with 1,500,000 men in 1947, is inadequate for proper defense of the United States, and a well-trained reserve is needed to bolster the Army in event of attack.

It doesn't matter whether a man is in the Army, Navy, Air Forces, or Coast Guard Reserves, or the National Guard, just as long as he is in some organized reserve unit that is prepared to take over the defense of America, the Army man declared.

An Air Force movie showing the destruction of the Ploesti oil refineries in Romania by the 15th Air Force during the summer of 1944 was shown to the Exchange members by Sgt. First Class Albert DelFavero, assistant unit instructor of the Army Reserve group.

The film was taken during actual combat with German fighters over the oil plants and also showed the terrific amount of "flak" the bomber boys had to content with. Additional scenes of the totally-demolished oil refineries from captured German newsreels were shown.

Capt. Flynn has been presenting this movie and other combat shows to interested groups and has six different films every month that are available for showing to organizations.

FEPC Backers Caucus; See Virtual Defeat of FEPC Measure

Dems Revise Weak Points In Measure

Gambling Row Waxes Furious

By REED SMITH

COLUMBUS — (AP) — House Democrats called a caucus today to try to find a way to get the pending FEPC bill through the legislature.

They concede opposition to the Fair Employment Practices commission (FEPC) measure in its present form is strong enough to beat it. That includes both Democrats and Republicans.

A Democratic spokesman said Gov. Frank J. Lausche has intimated changes in the proposal should be made. Lausche has endorsed FEPC for Ohio.

The Rules committee, which directs House operations, went over the controversial bill last night "line by line." Revisions will be put up to the caucus in the hope of lining up solid support for an amended bill on the floor.

The measure proposes to make racial or religious discrimination in employment an unfair labor practice. An FEPC commission would be created to settle discrimination disputes. It could ask courts for enforcement.

The bill has been held off the floor since the house labor committeee recommended it March 1. The Democratic-controlled group rejected major changes proposed by Republican members.

Some of them indicated they still hoped to change the bill to provide an educational FEPC program rather than one of compulsion.

An educational FEPC bill turned down by the labor committee without reading has been introduced in the Senate.

Meanwhile reports circulated that Governor Lausche may appear before the Senate judiciary committee tonight in support of a bill giving him power to remove sheriffs failing to war on commercial gambling.

The reports followed a meeting of officials of the Buckeye sheriffs association here yesterday. They made it clear they were up in arms over Lausche's bid for power over them.

Lausche in a statement Saturday said gambling was rampant in some areas and named four gambling spots he said operated with apparent immunity.

The governor now has power to remove mayors derelict in duty. A bill is pending in the legislature to strip him of that authority.

Hearing Tests Start In Schools

3rd Grade Children To Be Examined

Testing of the hearing of pupils in the third grade of Mansfield schools began today with two audiometers recently donated by the Mansfield chapters of the Exchange and Co-Operative club.

First tests with the electronic hearing testers were given this afternoon at Hedges school. According to present plans all third grades will be tested by next Wednesday.

The hearing examinations now in progress are screening tests to discover any child with a hearing defect. About 100 children can be screened in a day, Dr. Harry Wain, health commissioner, said.

Children in other grades who are suspected by their teacher or parents of having a hearing defect also will be screened.

When a child with a defect is found, Dr. Wain said, he will be separated from the rest of the children and after a period of about two weeks will be given a second and more complete test.

Parents of a child who has a hearing defect will be notified by the health department, Dr. Wain said.

A lag of several weeks between the screening test and the second test is to allow a possible minor ailment that could be causing an impairment of hearing to clear up.

The second test will chart a child's hearing, showing at what tone ranges the hearing is defective. An attempt will then be made to determine the cause of the hearing loss.

By the time the third grade is completed, the school term will be at end. Next term tests will be arranged for other grades.

Tests for the county schools' third grades will be held after the Mansfield schools are completed. Health department officials will meet Wednesday with the county school officials to set up a schedule.

Schedule for the Mansfield schools follows: Bowman, Wednesday; Bowman and Newman, Thursday; Roseland and Carpenter, Friday; Grubaugh and Woodland, Monday; Prospect and West Fifth, Tuesday; Brinkerhoff and Bushnell, Wednesday.

Mrs. Miller entered a plea of not guilty to the charge, stating the club is not open to the public, members holding keys to the premises with the machines thus not on public exhibit.

Police had raided the club during the weekend. the first such raid conducted at a private club. Judge Harold E. Andrews stated during the hearing that raids on private clubs had not been made previously, though officers have the right to investigate such clubs.

The club operator was placed under $500 bond against exhibiting gambling devices at the club for the next 12 months.

Police seized a nickel machine in the club dining quarters and two dismantled dime and quarter machines in a closet on another floor.

Attendance Prize Awarded To Pilgrim Sunday School

The Sunday school of the Pilgrim church, 322 Harker street, walked off with the attendance prize at the second meeting of the evangelistic series last night at Johnny Appleseed junior high school.

A total of 58 per cent of the Sunday school enrollment was present for the meeting and the school received Sallman's picture of Christ as its award. Caesarea Christian church was second with a Sunday school attendance of 50 per cent of the total enrollment.

Using as his text Matthew 13:58, Rev. Jack Shuler spoke from the scripture, "And He (Christ) did not many mighty works there because of their unbelief."

"God condemned the children of Israel to the 40 years wilderness wanderings for their unbelief," Rev. Shuler said. "God had promised to possess the Promised Land for them. Has any instrument of war been more powerful than God and water or hail or bees or the earthquake? Joshua needed more daylight. Upon petition to God, He caused the sun to stand still in its course until Joshua had secured the victory."

Rev. Shuler pointed out what faith in God did for Joseph, David, Daniel and the three Hebrew lads who were thrown into the fiery furnace.

Les Barnett played as an organ and piano duet, "True Hearted, Whole Hearted." Harry Clark led the singing.

Rev. Shuler's subject for tonight is "God's Alternative to an Atomic War."

Red Cross Fund Reaches $22,749

Red Cross campaign funds inched up to $22,749 as the bad weather halted canvassing in the rural areas and hindered many city workers from making calls.

The above sum included $1,039 from Shelby.

Two more precincts went over the top. They included: Precinct F in Ward three, Mrs. Paul Endriss, chairman. The quota was $175 and workers turned in $183. Miss Coila Lichtenberger, chairman of Precinct D in the Fourth ward, reported a total of $215.50. The quota was $200.

Marks 30th Anniversary

American Legion Founded In 1919

While the American Legion celebrated the 30th anniversary of its founding today, members of Mansfield's McVey post must wait until June 12 to mark their birthday.

The Mansfield post was organized June 12, 1919, and held its first meeting in the Memorial building. The post had 400 members.

Just 30 years ago today, 1,000 members of the American expeditionary force of World War I met in Paris to found the Legion.

Bryan D. Styert, post manager, said today there are 57 members of McVey post who have been in the Legion for 30 years.

The Legion's first home here was on North Main street and the post moved into its 126 Park avenue west home in 1923.

The Legion claims more overseas veterans, more wounded fighters and more decorated combatants than all other veterans' organizations combined The ranks include some 200 Congressional Medal of Honor winners.

Wayne Killen, 219 South Mulberry street, reported a fender skirt was taken from his car last Friday.

Mansfield's Population Near 50,000

MORE THAN a half century ago a group of forward-looking Mansfielders organized what was known as "The 50,000 League," the objective of which was to push the population of this city up to that mark.

Considering that Mansfield then had a population of around one-third of 50,000, the goal seemed over-optimistic and the league soon drifted out of existence, to be replaced somewhat later by a small but energetic Chamber of Commerce organization which has since grown amazingly in numbers and accomplishments and which is now witnessing achievement of the early-day dream of reaching 50,000 in population.

While the decennial federal census does not come until next year, the recently issued telephone and city directories, together with the Audit Bureau of Circulations estimate, leave little doubt that Mansfield and its immediate suburban areas have passed the 50,000 mark.

Industrial growth during the past twenty-five years, with resultant increase in wholesale and retail business and the professions, accounts for much of the population gain, and this may be expected to go forward in the future.

While the immediate problem is that of housing, which has tended to retard growth during the past several years, it is also important to consider that, as a larger—and still growing—city, Mansfield must assume added responsibilities in the operation of municipal affairs and will require more capability in the handling of public business than has been evidenced during the past couple of decades.

Mansfield has an enviable record of accomplishing the things it starts out to do, when unified effort is enlisted in support of any worthy project, which inspires confidence that a way will be found to improve the conduct of public business, so that it will also measure up to the reasonable needs of a growing community—which aspires to continue as "a good city in which to live, work and rear a family."

Much Mail Being Carried at a Loss

WITH an anticipated deficit of $500,000,000 in the post office department this fiscal year, the attention of Congress is being directed to means of increasing revenues to an extent that would substantially reduce this tremendous deficit.

While a deficit in the post office department has long been accepted as inescapable, due to low rates on some classes of mail and the immense volume carried free under the franking privilege, increase in the annual deficit has been such as to induce closer scanning of rates as compared with handling costs.

Raise of the letter rate from 2 to 3 cents, effective for some years, and recent increase in the air mail rate from 5 cents to 6 cents, are examples of efforts to balance charges with costs.

Now it is the penny postcard that is being given attention as a money-loser, it being estimated that each such card costs more than 2 cents to supply and handle. It is proposed that this service be increased to 2 cents.

Also recognized as contributing in large measure to the post office department deficit is the low mailing rate accorded magazines and newspapers, which falls far short of covering transportation costs.

While such a subsidy may have been considered proper in the early days of struggling publications and limited distribution it does not seem to fit into the modern picture of enormous production of nationally circulated magazines and newspapers which place a great burden on postal facilities.

Parcel post business has also grown greatly as the result of attractive rates and this is also listed as among the money-losing ventures of the department, with need for upward revision of rates.

Franked mail, carried free, is unfairly included in operating costs of the post office department, thus increasing the deficit. This should be charged against the various departments in which it originates.

There seems no good reason why rates on all classes of mail carried—including magazines and newspapers—should not be sufficient to meet actual costs of handling, and action by Congress designed to eventually make the post office department self-sustaining merits public approval.

Planning To Prevent Depressions

DEPRESSIONS might become outmoded in the future if concerted effort on the part of industrialists, educators and labor representatives come to fruition. In twelve major business areas of the country these three groups are working toward understanding their mutual economic problems and are co-operating in their solution.

Representatives met recently in New York at the first national Business Education Conference of the Committee for Economic Development. Reports were heard from local and regional organizations which are studying such problems as the relation of industry to agriculture.

Schools and universities are broadening their curricula to include more work along these lines. Institutes and seminars on industrial problems, trade relations, personnel, banking, and business surveys are being well attended.

The theory embodied in the phrase, "What goes up must come down," is no longer held to be valid. Such constructive efforts as those of the Committee for Economic Development may in time prove that the boom-slump process, tragic in its results, is unnecessary.

To the Kansas City Star, "it comes as a shock, this charge that slot machines are controlled by racketeers, as it had been our thought that they were under the supervision of some charitable organization."

Now they're introducing a compact, two-story trailer, but many will continue to prefer the "ranch-type."

You'll surely find it in a Mansfield store.

Why So Much Secrecy?

By THOMAS L. STOKES

WASHINGTON — In these critical times, when the peace of the world is at stake, it is still true that those entrusted with management of our foreign policy do not take the American people sufficiently into their confidence. Foreign affairs continue to be too much a top-drawer, top-secret business.

Currently, in illustration, are the North Atlantic alliance and the accompanying project for us to arm western European nations. They embody one of the most delicate and vital decisions in our history.

Yet they are vague to most of our people on the eve of their presentation to Congress as an almost-accomplished fact, and under a sort of emergency pressure for ratification.

For another current illustration, it may be pointed out that it was not President Truman or Secretary of State Acheson or any government official, but John Foster Dulles, a private citizen who is an American delegate to the United Nations general assembly, who revealed something that the American people should know in a speech to the third national conference on churches and world order, sponsored by the Federal Council of Churches, at Cleveland.

"So far as it is humanly possible to judge," he said, "the Soviet government, under conditions now prevailing, does not contemplate the use of war as an instrument of its national policy. I do not know any responsible high official, military or civilian, in this government or any government who believes that the Soviet state now plans conquest by open military aggression."

* * *

Some Sound Advice.

Mr. Dulles speaks with authority because he keeps in constant touch with officials in charge of our foreign policy in connection with his U. N. assignment, as well as with those of other nations.

He performed a public service in making this statement, though it should not have been necessary for him to have to do it. His reassurance is in contrast with the silence of our top government officials who, instead, have let all sorts of loose talk and military and naval bluster go on unchecked in recent weeks.

Mr. Dulles frankly recognized the familiar tactics of the Russians with which he has had to cope so often and with which we must continue to cope. But there is a difference between them and war, and thus far we have held our own, or better, in Russia's chosen strategy.

He also issued a warning that should be driven home at this time to Congress and our people.

We should not, he counseled, let our fellowship with western Europe, and particularly Scandinavia, appear to bring our military might "directly to Russia's border."

Which is what is envisaged in the program to arm western Europe. Norway will be a party to the North Atlantic alliance and so, presumably, would be eligible for U. S. military aid. Russia would use its army if it felt its homeland was menaced. Mr. Dulles feels sure.

"It would indeed involve a high tribute to Soviet leaders to assume that under these circumstances they would exercise more self-control than would our people under comparable circumstances as for example, if the Soviet Union had military arrangements with a country at our border."

That is plain common sense which we often fail to exercise in a blind refusal to put ourselves in the position of other nations and take a look from their viewpoint.

Frankly Speaking

Pact Details Awaited

By JAMES MARLOW

WASHINGTON — We'll learn the details of the Atlantic Pact soon, maybe Friday, from the state department.

The pact is a military alliance worked out by the United States and other nations which border on or near the North Atlantic.

It has a double purpose:

To make the allies so militarily strong that they not only can withstand an attack from Russia but even discourage one from starting.

(Communists claim its real purpose is to get ready for an attack on Russia.)

The Pact will not become a fact at all unless the U. S. Senate approves by a two-thirds vote. That may take months.

Details on the Pact have been kept pretty secret. When they are released this week, they'll open a floodgate for:

News on the Pact, interpretations, hair-splitting on the meaning of words in the Pact, Senate debate, editorials, radio discussions.

Talks on the Pact began last summer between the U. S., Canada, Britain, France, Belgium, Holland and Luxembourg. Norway and Denmark joined the conversations later. Iceland, Portugal and Italy may come in.

The Pact is a treaty. Since the Senate must approve any treaties in which we take part, that's why the Pact is not a fact unless, and until, the Senate okays.

It's expected to in this case, but not before plenty of argument because all those signing the treaty agree to help each other out in case of attack.

The $64 question, for the Senate, is how to help out.

If Russia attacks any of the allies, do we throw our armed forces into battle at once?

Or do we help out in some other way? But what other way is worth a dime if any ally is attacked?

What About Arms?

AND there's the question of arms? Do we start pouring arms into allies as soon as the Pact is approved, so they can be prepared for any attack?

Unless the allies are strongly armed, would a piece of paper called a "Pact" have any meaning for Russia. Her armies could overrun the unarmed Pact-signers in no time.

Some friends of the Pact argue this:

Our joining—which means Russia would know she'd have to face us if she attacked our allies—would deter her from attacking.

They consider that the central, and most important, part of the pact.

All this is a long step from our old-time neutrality which kept us out of World Wars I and II so long. But we've been moving steadily in this direction since the end of World War II.

We've joined the United Nations, set up the Marshall Plan to help western Europe, thrown help and money into Greece and Turkey under the Truman plan to stop Russia, and have occupation troops in Germany, Austria, Trieste, Japan and Korea.

Ex-Congressmen Enjoy Retirement Pay

By DREW PEARSON

WASHINGTON — The list is supposed to be secret, but 39 former senators and congressmen are drawing retirement pay from the government. Several are independently wealthy; two have prison sentences hanging over their heads.

Many others fully deserve pensions for their long service to their country. However, the greed of those who don't deserve pensions is likely to hurt those who do.

Only eligibility requirements are that the applicant must be at least 62 years old and have six years' service in Congress. The amount he can draw is figured at 2 per cent of his average salary, multiplied by the number of years he served. The average payment is $3,238 annually, but runs as high as $6,500.

Although the law went into effect only two years ago, these retirement benefits are retroactive.

Two of the first to apply for the handout were former Congressmen Andrew May of Kentucky and James Curley of Massachusetts, whose itchy palms had already got both of them prison sentences.

May was convicted of embezzlement and is waiting to serve a term behind bars. Curley served five months of a prison sentence for mail fraud, before it was commuted by President Truman. Now mayor of Boston, he is drawing retirement pay along with his mayor's salary—although he barely qualified for a pension with only six years of congressional service.

* * *

Knutson Goes In Reverse.

ANOTHER who no sooner got voted out of Congress than he signed up for retirement pay is Minnesota's ex-Congressman Harold Knutson. A power in the 80th Congress, he fought brusquely against social benefits for others, and helped bar 700,000 traveling salesmen from social security.

This is also true of Colorado's Robert Rockwell and Michigan's Bartel Jonkman—both nickel-nursing veterans of the 80th Congress. Rockwell was the darling of the power lobby, and Jonkman squeezed all he could get out of the government after the election by flying to South America as a lame-duck congressman—at the taxpayers' expense. They are now drawing pensions.

Also on the retirement list are former Senators Joe Guffey of Pennsylvania, Burton Wheeler of Montana, James Tunnell of Delaware, Jim Mead of New York, George Radcliffe of Maryland, Peter Gerry of Rhode Island, a millionaire, Henrik Shipstead of Minnesota and Raymond Willis of Indiana. The first five voted for social security for others so are not inconsistent today.

* * *

Farm Telephones.

WHILE America is shooting through the air in jet planes and sitting on a nest egg of atomic bombs, many farmers a few miles off the beaten track can't get so much as a goose-necked, country telephone.

The amazing fact is that, by the last count, the U. S. A. had fewer rural phones in 1945 than in 1920.

To remedy this, President Truman had made up his mind to appeal for more phones for the farms in his State of the Union message—that is, until some of the boys in the White House talked him out of it. Now, without any push from the White House, a few senators and congressmen are trying to work out a bill to increase telephone service to farms.

The blunt truth is that those in most urgent need of phones can't get them. Most farmers still have to hitch up a horse or wheel out the truck to get a message to their neighbors. In case of illness or disaster, they are cut off without any rapid means of communication.

Back in 1920, 38.7 per cent of American farms were linked with telephones. Then the depression hit, farmers couldn't pay their bills, and, by 1940, the percentage of rural telephones dropped to 25 per cent. This started picking up during the war until it reached 31.8 per cent in 1945, the last official count.

Telephone companies now boast that a record 45 per cent of American farms have telephone service. This does not agree with the agriculture department's estimate, which is 42.2 per cent for 1949, or just a shade over what it was 30 years ago.

In actual numbers, the agriculture department estimates there are still less phones on farms than in 1920. The department expects 2,473,000 farms will have phones this year—25,493 less than in 1920. The reason for the difference in percentage is that America has fewer farms now than 30 years ago.

At best, rural telephone service is poor, the equipment antiquated. In some places, telephone lines do double duty as fence wire. For the most part, rural areas are served by hundreds of small, poorly staffed, independent companies and co-operatives.

Note—State by state, the percentage of farms having telephone service ranges from 3.7 per cent in Mississippi to 79.3 per cent in Iowa.

Garner Ages Gracefully

By INEZ ROBB

UVALDE, Texas — The joys of retirement from politics are many if a man likes to fish and hunt, putter around with a few chickens and ducks in his backyard, re-read Dickens and Scott and visit with his neighbors.

These are the joys that crowd the days of John Nance Garner, 80, who came home to Uvalde eight years ago after thirty years in Congress and eight as vice president.

Full of years and honors, he still is held in affection and deep respect by millions of Americans.

Sitting in the sun porch of his Uvalde home, he told me:

"Before I left Washington, I called in the newspaper men. I told them I was leaving Washington and politics for good and that I had given my last political interview.

"Nobody believed I meant it. But I did. I won't talk politics and I haven't been back to Washington. People are always writing me, trying to get me to come back. But I don't intend to."

There are many remarkable things about the former vice president who might have been president himself had not Franklin Delano Roosevelt sought a third term in office.

But not the least remarkable is the fact that he is the only politician in my experience who has irrevocably removed the political bees from his ten-gallon bonnet.

The undisputed patriarch of Uvalde, Garner never hankers for Washington. He subscribes to the Congressional Record, and that does the trick for him.

"I don't have to be in Washington. I just read the Congressional Record and I know exactly what's going on and who's doing it and how," he said, shaking all over with laughter at the scene laid before him by the Record.

* * *

Watches the "Record."

THE RECORD may be dull reading for most citizens, but this man who spent thirty years in the House, two of them as Speaker, and eight years presiding over the Senate, it presents a picture as clear as water and as gay as "Punch."

In addition to the Record, Garner subscribes to a dozen newspapers throughout the nation. Furthermore, Jim (James A.) Farley, his old friend, makes a habit of clipping all the eastern newspapers and a fat brown envelope of clippings from Farley arrives in Uvalde about every four or five days.

"I enjoy the clippings, and it's mighty kind of Jim," Garner said. "But then, I always did think him the prototype of a fine Christian gentleman."

When the Congressional Record and the newspapers pall, Garner re-reads Dickens and Scott. Sometimes, his son Tully, or his daughter-in-law leaves a new detective novel on his reading table. And sometimes he looks through it, more to please them than himself.

He was reading a newspaper when I arrived on the sun porch, and — at 80— reading it without the aid of glasses!

"I like to fuss around with my chickens" Garner said, waving toward a chicken yard about 400 feet from his big house. "And I fish a lot. And during the deer hunting season, I stay out most of the time. I've always liked to hunt."

It's on the deer hunting expeditions that Garner still whips up his famed "cowboy stew" over a campfire for his companions.

But it was good news that we've been able to fly a lot of cigars into Berlin . . . If they're going to have an iron curtain we can have a smoke screen.

* * *

And besides there's nothing appeals more to hungry people than a good cigar.

* * *

Logistics evidently is still in the hands of the people who managed to get 5 million cigaret lighters to the front when Eisenhower was begging for guns.

Fortunately the German advance was stopped before anybody needed a light.

Farmer's Diary

'Small Farm' Problems

By CALVIN A. BYERS

I HAVE just read a new book "The American Farmer," (Harper, $3) by Lee Fryer, an Oregon man who has worked for the farm security administration. It is a graphic picture of the seamy side of the farm outlook, aimed at upping the membership of the Farmers' Union.

The foreword is by James G. Patton, president of National Farmers Union, who asks, "Will American farm families become peasants and hired workers in a corporate agriculture, or will they organize to defend their liberty and their land?"

"Four deep well-springs of poverty and insecurity among farm people," says Fryer, are (1) farmers need more land. Big farm operators are expanding their acreage and crowding out the family farmer. (2) Poor debt and tenure conditions impoverish farm families — the small farmer suffers worst because his rent, interest, taxes and mortgage payments come out of his living money (3) Labor and management of small farmers is being wasted. They may be forced out of business by big farm competition and by modern machinery unless they can become efficient too. (4) Working farmers are not organized; consequently they get whipped and gouged at every turn.

"Least of all does the so-called farm bloc speak for real American farmers. The American Farm Bureau Federation, the Associated Farmers, the National Council of Farmer Co-operatives, the Milk Producers Federation, the American Sugar Cane League, the California Fruit Growers Exchange and the Cotton Council cannot speak for American "family-farmers" any more than the walrus in Alic in Wonderland could speak for the little oysters he was eating. Instead, these agencies are corporate agriculture in the United States. They are the plantation system, the absentee ownership system, the expanding multiple farm and the corporate farming system. The "poor hyseeds" in these farm-bloc organizations are the O'Neal Plantation, the Kern County Land company, Ardens Farms, the California Packing Corporation, the King Ranch, Balfour and Guthrie, and the R. T. Hoover Cotton company. They are the DuPonts and the Girdlers of agriculture, displacing the family farmer, just as the giant business corporation displaces the independent small business man.

When small farmers are found trailing along in the American Farm Bureau prade or with Associated Farmers they are just killing time because they have no parade of their own. And when they march with the National Grange it is like marching with veterans of the Spanish American war. It was a great war and the memory is good, but where are we marching today?"

I do not subscribe to everything the Fryer book says, but better read it. He even produces a charter for the reconstruction of rural like in United States. This column is open for honest, constructive opinions about farm matters, from any source.

(Personally I hold membership in both Grange and Farm Bureau, as do many of us, hereabouts.)

Memorial to Masaryk.

We foresee generous support in this country of the movement in England, launched under the leadership of Winston Churchill, to raise an international fund for a memorial to Jan Masaryk, the martyred foreign minister of Czechoslovakia.

Worldwide solicitation of donations will be made through the World Federation of United Nations. Masaryk was the Federation's first president. The purpose is to place a splendid Masaryk memorial in front of the Federation's headquarters in Geneva, Switzerland.

Jan Masaryk's heroism deserves commemoration. A memorial to him in the heart of Europe would be an inspiration to European peoples, in behalf of free democratic institutions. — Detroit News.

As Cerf Tells It

John Straley's grandpa came to the state fair to buy himself a prize cow, but a fast-talking salesman for a bicycle concern buttonholed him on the way to the livestock exhibit and tried to sell him a bike instead. The old man displayed admirable sales resistance.

"You're going to look funny riding around your farm on a cow," scoffed the bicycle salesman.

Grandpa Straley answered, "Could be, sonny—but not half as funny as I'd look trying to milk a bicycle!"

ODD FACT

Wine tasters never drink wine. They sniff it for bouquet and aroma and then sip a little, but never swallow it when on the job.

Dorothy Kilgallen

VOICE OF BROADWAY

LETTER TO A COLUMNIST

This one was in yesterday's mail.

Dear Miss Kilgallen:

This is the very first opportunity I have had to write you since a recent article of yours appeared that aroused my sense of justice and fairness to a pitch where inwardly I exclaimed "What the heck is wrong with this world?"

I am referring to your article in connection with the new singer Jimmy Dolan. Now the boy has a very pleasant voice and I hope his earnings will be far in excess of the million dollars you forecasted for him. He is a youngster, clean cut and ambitious, I believe. I listened to him the other evening on a radio program and he was most entertaining.

Miss Kilgallen, needless to say luck plays a very important part in a person's life. For instance, let me tell you about an ex-Marine.

This fellow is married and the father of three children. Tall, handsome and talented, he is a natural for television and would be an overnight sensation. However, his greatest gift is his voice

He is a tenor. It is my understanding that a teacher who took an interest in him advised him to go to Italy to study, and said he had the makings of one of the world's greatest artists.

But because of his family he could do nothing.

* * *

His name is Tommy Baker. Of Irish-American lineage, he is the brother of the late detective John Baker, who was well known on Broadway and who was Johnny Broderick's boss, I understand. Tommy is now a guard in the Raymond Street Jail in Brooklyn I believe he is quite disillusioned. This is criminal, that a boy with the voice that Tommy Baker possesses should go unnoticed

Tommy not only has the sweetest voice I have ever heard but he has body and range in his voice; on his low notes he has the quality of a baritone.

Recently I wrote to the Arthur Godfrey Talent Scout program in behalf of Tommy Baker. Tommy appeared for the audition and he was praised to the skies. Miss Bessie Mack of Godfrey's staff called my office and informed me that Tommy Baker was to appear on Godfrey's program that evening.

About an hour later, I received a call from Miss Mack and was informed that because the director was taken ill there would have to be a change in the program and consequently, Mr. Baker would be called again.

When I received that call, I knew that was the end of that. But I daresay here and now that Tommy Baker is far and away a better singer than any singer who ever appeared on the Godfrey program. He would become one of the nation's overnight sensations and remain a sensation until the end of his days. He is not a crooner.

* * *

No, Miss Kilgallen, I am not a publicity agent for Baker, nor am I interested in him financially But I feel that if someone with connections or ability took hold of this boy, the world would be better off for it. His voice belongs to the people, to music lovers like myself. . . .

What a crime that this boy who served his country in the last World War as a U. S. marine, the father of three children, and possessed of the sweetest voice these good ears have ever heard, has to remain a prison guard in the Raymond Street Jail That is what I am crying out against, and I believe I shall always cry out against.

Very truly yours,
WILLIAM A. CLARK,
Counselor at law.

* * *

Well, Mr. Clark, there it is—out of your system

I printed your letter for two reasons One, I think it gives a good sample of the heartbreaks we never hear about—the hundreds, maybe thousands of frustrations that live in the souls of people who dream of greatness and work at jobs they hate.

The girl in the beanery who knows she can act The elevator operator who wanted to be a doctor. The clerk in the teller's cage who aches to paint in Paris And Tommy Baker, the prison guard who wants to sing for the world.

Two, I thought maybe it might be a break for Tommy, if he's half as good as you think. There isn't much of a market for tenors these days, this is the era of the baritone, and aside from Dennis Day and Morton Downey and Kenny Baker, and Eddy Howard, not many of the boys with the angel voices are working steady. But that just makes things tougher for Tommy; it doesn't rule him out.

Who knows? A lot of people in show business read this column, if only to find out if their own names are in it. Maybe somebody will take a chance on wasting 15 minutes and listen to Tommy Baker sing.

Anyway, Mr. Clark, if you wanted to get him a little notice in the paper, here it is. And good luck to him.

For Wednesday, March 16

An entirely unforseen and unpredictable event may suddenly change a stagnant and hopeless situation on current affairs It is possible the very root of such happy circumstances may be the birth of a brilliant idea, and entirely new perspective of the static situation, a stroke of genius, or even aturn of a romantic nature. Abrupt change with new adventure may change the vista but not without hazard to funds, position, reputation. It is advisable to take such vital chances, but with discretion and vigilance as to snares and pitfalls, protect integrity, health.

For the Birthday

Those whose birthday it is, may find a sudden and spectacular turn to depressed and stagnant affairs, opening a welcome "out" for an almost hopeless and distressing situation By revolutionary idea, an inventive stroke, an insight into fresh ways is forecast. While this may be the technique for "moving mountains" of static and stubborn resistance, yet over-dynamic push has its hazzards. With astute care, "eternal vigilance" keeping balance and ligic, even in radical innovations, great advances can be looked for.

A child born on this day may be an inventive genius, but prone to prodigality, excesses and waste.

About 1.2 million chicks were produced in commercial hatcheries during 1946. This was the smallest total since 1941 when almost 1.1 million were produced.

Dewey Accidentally States Case For Constitutional Convention

GOVERNOR DEWEY unwittingly stated the case for a constitutional convention when he said recently that the people of the United States intended that their government, meaning the general management of this union of sovereign states, should be more than a cold, impartial umpire. He did not intend to recommend a constitutional convention, but he nevertheless pointed out the need of such a general political and philosophical stock-taking.

Our Constitution is roughly 150 years old, it has been amended from time to time, in some cases unwisely. The 18th amendment was awful, whatever may be said against the traffic in liquor. Ironically, the 18th came from the southern states which now are the core of the states' rights party and movement.

It forbade a citizen of the state of New York to drink liquor because the people of South Carolina, for example, thought he shouldn't. The people of South Carolina couldn't cross state lines to impose their prejudice on the people of New York so they got the government of the combined or, as we say, the United States, to try to do it for them.

The immediate result was a great deal of crime and the eventual result was a serious defeat for the Constitution. It was violated so efficiently and angrily that the states finally got sick of the whole business and abandoned the experiment.

The 13th, 14th and 15th amendments were adopted as punishments of southern states and persons and were put through by fraud in packed and spurious legislatures in some of the defeated southern states. For this latter reason alone they are illegitimate but they have antiquity and acceptance limited in scope, to recommend them.

If it is a wise course today to insist that foreign applicants for citizenship shall be able to read and write and do a little arithmetic, so that they may escape the penalties for unintentional violation of the income tax amendment, and for other reasons, it was important in 1868 to go carefully in abruptly bestowing citizenship on a whole mass of illiterates.

Not only Dewey but apparently most of the Republican membership appear to be willing that the government, or general management of this union of states, should have powers which plainly never have been conferred on it by any affirmative act.

The power to attach a portion of the individual's earnings in the process known as the withholding tax is a case in point.

The federal government wanted a portion of the workers' money as income tax and the administration realized that most of it would sift away if the employers were allowed to pay it to the workers. Once they got their hands on it they would squander it or hide it and the tax-collector would be fooled.

Dewey and all the other advocates of the total-insurance state constantly talk of a new concept of national government. It is a government to mind the baby, to visit the sick and provide amusement, education and vacations—and jobs for millions of the parasites of the party in power.

But our Constitution says nothing outright on this theme and nothing under its breath, either, for that matter, although the total-insurance and baby-sitter people claim they can detect this sentiment with a political listening device of some kind.

I don't know. I don't say the people don't want these things. Maybe they do. But if we are going that way, why not say so? We have a right to change our Constitution and our form of government.

We have no boss. We needn't apologize to anybody for anything we decide to do in our own affairs.

We don't grant other countries the same right to run their own domestic affairs free of intrusion and meddling by us, but we claim that right ourselves.

Council To Put Officer On Payroll

Acts to Straighten Out Police Tangle

A special meeting of city council will be held tonight, primarily to return to the city payroll a police patrolman who literally was legislated out of a job by council at its March 2 meeting.

An amended ordinance created a police lieutenant's post with the traffic bureau and reduced the number of patrolmen from 28 to 27, to allow for the man promoted from the ranks.

But, when the time came to promote a man to the new post, it was found the civil service eligibility list had expired and there was no one eligible for the job. The city still had 28 patrolmen, but the amended ordinance allowed for only 27.

One man was left "out in the cold," and could not, under the amended ordinance, be paid for serving as a patrolman.

Council tonight is expected to repeal the amended ordinance, placing the department's personnel set-up back where it was before the March meeting.

Then, following a civil service examination scheduled for April 21, the post again will be created and a man appointed from the new eligibility list. A second police lieutenant will be appointed from this list to fill the vacancy left by the death of Lt. William J. Taylor.

HEAR INDIAN GUIDE—Ojibway Indian Joe Friday addresses 400 fathers and sons as the YMCA organized its "Indian Guide" program at the "Y" last night. The group of which 11 neighborhood tribes were formed were told tales of Indian lore. Robert Schmidt, Maurice W. It was launched as a national movement in 1935.

REAL INDIAN—

Mansfield grade school boys heard exciting Indian stories yesterday as Ojibway Indian Joe Friday brought his tom toms, totem pole, and war bonnet to six schools. The young "braves" recruited their fathers to go with them to the grand "powwow" at the YMCA last night. According to Robert Schmidt, "Y" youth work director the men were as interested in the program as the boys.

Neighbors Revive Victim

Sherman Ross In Hospital

An 84-year-old Mansfield man was saved from death by suffocation late yesterday when neighbors rushed to his smoke and gas-filled home.

Sherman Ross, 21 Lamberton street, was found on the kitchen floor, wedged between his cooking stove and the wall.

Firemen from Central and No. 3 stations, called to the scene, said Ross probably was overcome by a combination of escaping gas from a pipe in the basement and the odor of burning soap in a dry pan on the stove.

After being given first aid by firemen, Ross was removed to General hospital, where his condition was reported as "fairly good" today.

SAW SMOKE

Mrs. Ora A. Miller, 27 Lamberton street, next-door neighbor to the aged man, said her husband saw smoke pouring from the rear of the Ross home about 6:25 p. m. yesterday. Neighbors called firemen.

Miller said he found all burners open on the stove and a pan of soap, obviously being melted in water, burned dry and smoking.

Miller said he found Ross lying on the floor and clad only in underwear. The neighbor said he thought Ross was dead at first, but the aged man soon was revived.

Ross, who lives alone, occupies the rear of the residence.

Asks Road Hearings

Rusk Calls For Clear Fork Action

County Engineer Walter E. Rusk today proposed that county commissioners hold views and hearings on vacating of two roads in the Clear Fork dam area simultaneous with a state hearing on abandonment of a section of the Mansfield-Marion road (State Route 545.)

The City of Mansfield asked two years ago for vacating of the roads in order to go ahead with the water project. Rusk said the state will hold a hearing in the commissioners office in April on whether to abandon a one-mile section of State Route 545.

On the basis of the hearing, recommendations will be forwarded to the state director of highways who will determine whether the section will be abondoned. Rusk said abandonment would put the section under the jurisdiction of the county commissioners, who could then vacate it.

Rusk said the state could also decide to relocate that section of the highway. The detour now is over U. S. Route 30-S and south of State Route 314, connecting with Route 545.

The one-mile section, from Aten road to Bowers road, is mostly impassable because of flooding from the dam. Rusk said that since this road ties in with two others, commissioners' hearings should be held on all three at the same time to accommodate landowners in the area.

The city has also asked for vacating of the Aten road from Route 545 south to the Morrow county line, a distance of 2,000 feet, and of the Stoller road from the Lexington-Ontario road, to the county line, a distance of one mile.

Firemen Called

Firemen from Central station were called to East First street and South Franklin avenue at 4:55 p. m. yesterday when a car, owned by Dillard Ball, Mansfield, R. D. 5, caught fire. Firemen said the blaze, believed started by a cigaret, burned a hole in the front seat upholstery.

State to Give OSR Inmates TB Exams

More than 8,500 inmates at the Mansfield reformatory, Ohio penitentiary, London prison farm and the Marysville reformatory for women will be chest X-rayed this spring in a systematized TB control program launched by the State Welfare department.

State Welfare Director J. H. Lamneck announced today the program will start March 22 in the penal institutions. London farm inmates will be checked first, followed by inmates of the women's reformatory on March 30. Dates for X-raying inmates of the penitentiary and the reformatory will be set later, Lamneck said.

The tuberculosis check-up to be carried out in cooperation with the State Health department, will be an annual affair. Suspected TB cases will be given examinations in intervening periods, Lamneck said. All incoming inmates and new guards will be X-rayed.

Lamneck said it was only one phase of a general health program inaugurated by a survey conducted by the state division of corrections.

He said the survey also caused plans to be made for extending smallpox, diphtheria and typhoid vaccinations. This was to guard against an epidemic such as the one which caused several diphtheria deaths at the Dayton State hospital in January.

The director said further studies were being made to include inspection of water and milk supplies, sewage disposal facilities, and pasteurization and food handling procedures in the prisons.

Jail Term Suspended

Charged with the malicious destruction of property, Charles Bland, 21, Plymouth, R. D. 1, entered a plea of guilty and was given a 30-day jail sentence and costs today in municipal court.

The jail sentence was suspended on the condition that he pay for damages listed at $60 to the door at the home of Charles Hill, Timmerman road. Bland broke the door after an argument with Hill on March 4, officers said.

Robert Howard Au, 121 Lexington avenue, was found guilty of crossing the yellow line on Lexington avenue March 3, and was fined $5 and costs, by Municipal Judge H. H. Schettler.

Artis DeFoor, 224½ North Main street, arraigned on a charge of unsafe operation following an accident yesterday, was granted a continuance to March 18.

Boy's Town Given $100

A $100 bequest was left to Boys' Town in Nebraska by Mrs. Cora A. Sellers, who died last Feb. 24. She had been a cook at Mansfield General hospital for the past 20 years.

Lovina Caster was appointed executrix of the estate. No value on the estate was listed in papers filed in probate court. Other terms of the will provided that B. B. Mann be given $1,500 in trust for the benefit of the deceased woman's sister, Mrs. William H. Cole of Mt. Vernon.

The sum of $2,000 was left to a niece, Mrs. Fern Brown, and $2,000 to a nephew, William H. Taylor, both of Mt. Vernon. Balance of the estate was left to grandnieces and grandnephews.

An estate with a probable value of $27,680 was left by W. B. Dillinger of Madison township, who died March 2. The will provided that a life state go to his widow, Mrs. Minnie Dillinger. Mr. Dillinger operated the old Alvin theater here before his retirement.

A house in Garden Acres is to pass to a son, Louis Dillinger. The balance of the estate was left to the son and two daughters, Mrs. Dale Swisher, and Mrs. R. V. Imhoff, all of Mansfield.

Plan County Youth Party

A county-wide party of the Farm Bureau Richland County Youth council will be held Thursday night at Grotto hall, Park avenue west. Seniors of all Richland high schools have been invited, announced Lyle Berry, youth council president.

Invitations have been sent to more than 600, including seniors and members of the council. Hours will be from 7:30 to 11:30. A complete program of entertainment has been arranged, Berry stated, and refreshments will be served.

Primary purpose of the Youth council, he explained, is to guide youth of the county in creating their own amusements instead of depending on commercialized entertainment. Council members meet each month at Liberty park pavilion to participate in square and round dancing, games and other entertainment.

A plan to form youth councils in each school district will be discussed at the Thursday night party. Members of the reception committee will be Beatrice Boals and Glenna Belle Ferrell.

Epley who said he spent six months in Mansfield General hospital, contends Craven was negligent.

Epley's attorney is H. Eugene Ryan.

Third Theft Suspect Held

A third suspect in the $870 looting of an auto Sunday on North Walnut street, was held for investigation today by police.

Police said the latest suspect is a 29-year-old Luther place man. Two 25-year-old Grace street men, picked up shortly after the looting was reported, also are being held.

So far only $120 worth of the loot of clothing, jewelry and a musical instrument, has been recovered. Still missing are two traveling cases, containing men's and women's clothing and jewelry, a guitar and case. The theft was reported to police at 11 p. m. Tax Filing Rush Eases

Dept at the Internal Revenue office hoped today the rush of last-minute taxpayers was over.

Yesterday six deputies were kept busy until 10 minutes before closing time as Mansfielders lined up all day to file returns before tonight's deadline.

It was estimated today between 400 and 500 returns were handled by the office yesterday.

But at noon today it looked like the rush was over as only a few persons came in during the morning hours.

The office here will close at 5 p. m. today. All returns must be postmarked not later than midnight tonight.

BeeGee Five Knocks St. Louis Out

NEW YORK—(AP)—Four outsiders who staged perhaps the greatest mass expulsion of favorites in the history of basketball will square off Thursday night in the semi-finals of the national invitation tournament.

Loyola of Chicago will meet Bradley university and Bowling Green of Ohio will face San Francisco in an all-Cinderella team lineup at Madison Square Garden

Gone are Kentucky, the nation's No. 1 college quintet acclaimed in some quarters as the best ever; defending champion St. Louis university and the two other seeded entries—Utah, No. 3, and Western Kentucky, No. 4.

They went out in one giant sweep of the underdogs' broom in a matinee and evening quarter-final session yesterday that left huge Garden turnouts gasping for air

TWO ON 'CHECKS'

Two of the survivors are clubs that got into the tournament on rain checks when the committee decided to pick an oversized field —Loyola and Bowling Green.

It was these two teams which knocked over the tournament's top ranked powers — Kentucky and St Louis, figured to carry an old rivalry into Saturday's final

Loyola stunned the Kentucky Wildcats with a great surge in the final minutes, 67 to 56 Bowling Green, big and fast, manhandled a silk-smooth St Louis, 80 to 74

To complete the rout, Bradley bowled over Western Kentucky, 95 to 86, and San Francisco, without a senior on its squad, humbled Utah, 64-63, on Frank Kuzara's 35-foot one-hand shot in the last seconds of play.

The Wildcats will come back to New York for the eastern NCAA eliminations Monday night They play Villanova in one game while Illinois, the Big Nine champion faces Yale, the Ivy victor in the other

Jack Kerris, Loyola's six-foot-six center, kept a firm check on Kentucky's big All-America, Alex Groza, holding him to 12 points and scoreless in the last half Kerris also tossed in 23 points

Groza fouled out with five minutes to go in the game Wallace (Wah Wah) Jones went out earlier on personals

INDIVIDUAL DUEL

The St Louis-Bowling Green game featured an individual duel between the Billikens' effortless All-America center Ed Macauley, and the Falcons' gigantic Chuck Share, who stretches six feet-11 and weighs 235 Held to three points in the first half Share connected for 12 in the last for a 15 total Macauley scored 19

Gene Dudley a Bowling Green substitute scored five quick points in the last two minutes to clinch the verdict for the Ohioans when it appeared the seesawing contest could go either way

IT'S A NEAT TRICK IF YOU CAN DO IT—But that's what Kenny McCally (left) and Jimmy Anderson of the Senior high Tygers have been doing—boosting an endless stream of basketballs through tournament goals The two youngsters made the all-district tournament team at Sandusky as McCally scored 37 points in two games and Anderson tallied 33 Both have 71 in two tournaments —(News-Journal photo by Jim Switzer)

Senior High Wins With Fine Balance; Anderson, McCally Make Tourney Team

By FRED THARP
(News-Journal Sports Editor)

A fine over-all balance has put the Mansfield Senior high school team where it is today—in the top 16 in Ohio's annual Class A dribble derbies

And the easiest way to prove it is by the records Since the five present starters have been molded together as a unit, only two games have gone by the boards and those by a total of three points The present quintet of Jimmy Anderson, Ed Demyan, Norb Shibinski, Paul Ferguson and Ken McCally started functioning as a well knit unit with the Akron North contest

Since then the Tygers have won 12 and lost but two, five of the wins coming along the tournament trail. During that 14 game period the Bengals have scored 801 points, an average of 57 2. Defensively they have allowed 606 points, an average of 43.3. Before that the Tygers had won six and lost five.

Then, too, all-tournament teams give a good indication of balance Ferguson, Demyan and Shibinski landed on the all-sectional team and the other pair—McCally and Anderson — were listed on the all-district team announced today In each case every other member of the first five wound up as a second team choice

The Tygers are a hard working lot and are dead serious about adding the Toledo regional scalp to their tournament victory list Mansfield meets Bowling Green Friday at 7 30 p m in the Toledo U fieldhouse and, if victorious, will battle for a state tournament berth Saturday night

Anderson and McCally, a pair of lads who will be back next season, have been the top scorers in each tourney Anderson topped the sectional field with 38 and McCally got 37 in the two district games Anderson was second at Sandusky with 33

Two Bellevue and one Fostoria player joined the torrid Tyger tandem on the all-district squad. Carlos Jackson, Fostoria, teamed with Anderson at forward while Milt Bruckner and Jim Lepley were the Bellevue choices.

McCally and Bruckner were the only unanimous choices Anderson had four first team ballots but did not place on the fifth

The top choice on the second team was Ferguson who had one first and four second team votes Demyan had two first and one second while Shibinski came in with one first and three second. Ted Fox, Bellevue, made one first team but did not place on the other four ballots

Commercial Keglers Rule Maple Roost

Commercial C leaguers ruled the roost in Mansfield bowlingdom last night as the usually tough Richland A and Club leagues failed to produce any top-drawer scores.

Three C leaguers made the honor roll. Fred Carver of Barnes Meat Market topped the list with a 623 series on games of 196, 181 and 246. His third game tied for single game honors with Jake Streitmater of Urschel Insurance who had other pin counts of 194 and 154 for a 594 series.

Roy Maneese, Wolford Funeral home, came in with 222-190-204—616 Emmett McInture of Urschel Insurance posted 215-198-196—609

Local 17 did not have a single outstanding score but moved into a tie for first place as it took two out of three games from the previous leader Mansfield Tire. Both teams now have records of 54-won, 27-lost.

Urschel Insurance swept three from Montgomery Ward and Barnes Market took three from the Orphans to stay within one game of the top

Joe Frisch led his Grocery team with a 235 single game and 582 series Bill Black jr, Wolford's, posted 577, R. Adams, Independent Towel, had 575; and Dick Treisch, Barnes, 550.

Bob Henry made news in reverse as he recorded games of 121-201-123

★

Club leaguers were particularly off form as a 182-192-191—565 by Harry Uplinger of American Legion was tops Even the usually reliable Art Hilborn sandwiched a fine 242 between games of 150 and 165 for a 557 count.

Team standings took a shuffling as the Lions club fell from the lead by taking a three-game drubbing from Doherty's University Club won two of three from Paige Dairy to go into a one-game lead Doherty's, in eighth place, is only three games off the pace of the leaders.

B. Brinning, Amima, tallied 533; R Harper, Doherty's, 528, Pete Linster, American Legion, 522; and Art Kocher, Page Dairy, 521.

★

Ray Kinton of Williams Transfer won a race for individual honors with Tony Santoro of Sons of Italy in the Richland A loop Kinton posted 209-198-160—567 against Santoro's 212-169-185—566

Dale Cleckner, Kozak's Fighting Irish, was in third spot with 534 Leroy Cleckner of the same team cut wood for 532 while Orlie Grable, Richland Recreation, had 522.

★

Donna Schuster of Farmer's Market set the pace for Women's Variety league bowlers with a 534 concocted on games of 156, 182 and 196 Bert Bernert of Penn Auto was close behind with 533 and Evelyn Marshman, current city tournament leader, kicked over 521 pins for Larimore Realty

No others got over the 500 mark but Helen Wilhelm, South Boulevard's Market came close with 498. South Boulevard's had the only sweep as it took three from Wilson Auto Sales.

★

Godman-Rupp leaguers were led by George Columbus who scattered the maples for 181-177-209—567. Dick Noblet counted 553, Cliff Penrose tallied 545, H Hildebrand had 539, Earl Turner 530, Don Bachman 504, and Dean Hahn, 501.

★

Yvonne Alt topped the Mansfield Tire Women's league with 121-160-146—427. Others Mary McCumber, 408, Joanne Jones, 409; Mildred Roof, 407 and Emma Frontz, 402

★

Ronald Bachman led the John Simpson bowling league with the very respectable scores of 193 and 180 for a 373 total Forest Wagner was second with 269 and K Harpster had 242.

★

Lead in the Richland C handicap league went to R J Nelson, Vet's Cabs, with 130-201-193—524 while Robert Forsythe, Shenk's Auto, was second with 174-188-145—507

Others N McRwen, Mansfield Lumber, 492, K. Beam, Charm Fashions, 489; J. King, Charm Fashions, 487 and Robert Daugherty, Shenk's Auto, 485

Tribe Goes One Up On New Yorkers

PHOENIX, Ariz.—(INS)—The Cleveland Indians and New York Giants moved back into Phoenix today for round four of their non-stop spring battle.

Right now, Cleveland holds a two-one edge in victories, by virtue of Cleveland's narrow 7-6 overtime win yesterday, and Manager Lou Boudreau was slated to send Bob Lemon and Sam Zoldak to the mound for a try at improving the mark.

KENNEDY DOES IT

The Tribesmen were forced to go 11 innings against the Giants in Tucson before right field candidate Bob Kennedy rifled a line drive against the left field wall with the bases loaded

The safety was Kennedy's third hit of the day, and once again stamped him as the leading contender for Allie Clark's right-pasture position. His other two blows included a single and a 370-foot homer over the left field wall of Randolph park.

Several other Redskins also stood out in the day's activities.

Steve Gromek, a pitcher on whom Cleveland is counting this year, went five innings and gave up but two runs. Frank Papish, refugee from the Chicago White Sox, followed Gromek to the hill and permitted the Giants only four hits in the next five frames.

Roy Welmaker, the Negro lefthander in camp on a trial basis, was the eventual winner.

MARSH HOMERS

Fred Marsh, rookie shortstop, joined Kennedy in the batting department with a home run and a single in five times at bat All in all, the Indians connected for but seven hits off six Giant pitchers

Al Rosen and Herman Reich were the only other Redskins to hit safely

Larry Jansen, the Giants' ace, and Andy Hansen were expected to hurl for the Giants today.

Shelby Quint Defeats Penn In Gold Medal Meet

Mitsch's Club Wins Preliminary Battle

Shelby Gump's reigned as champion of the first Gold Medal basketball tournament after coming from behind to knock off Penn Auto-Sporting Goods, 44-41, in the tourney finals last night.

Gump's trailed 13-6 at the quarter and an upset looked in the making as Penn continued to lead 26-18 at the half.

Then in the third quarter lightning struck hard. Shelby pumped in points from all over the floor and moved easily to the front. It tallied 17 points to Penn's five to lead 35-31 at the end of the period, and continued to pile up the margin as the fourth quarter opened.

MAKE A BID

Penn, however, finally caught a grip on things and was making another bid when time ran out. Bobby Baker of Penn and Bill Lucas of Shelby tied for scoring honors with 16 points each.

In the consolation preliminary, Frankie Mitsch's Corner Store won over Urschel Insurance, 50-35. Mitsch's had no trouble at all as it led 40-19 at the end of the third quarter.

Eldon Pritchard led Mitsch's with 14 points.

'Stars' Ready For Benefit With Browns

The Mansfield all-stars last night completed preparations for their benefit cage date with the Cleveland Browns' basketball team tomorrow at Senior high school.

The "Stars" walloped the Willard all-stars handily, 52 to 31, after a slow start. Mansfield led at the half, 17 to 14, and at the three-quarter mark, 35 to 26.

Only seven of the 12 Mansfield players broke into the scoring column. Jim "Stretch" Regula was tops with 11 points while Nick Gagich and Eldon Pritchard picked up 10 apiece. The Stars have won three of four.

ALL FOOTBALLERS

All proceeds of tomorrow's battle between the Browns and the Mansfield team will go to the Friendly House gymnasium fund. The Browns club is made up of men who played on the All-America conference football championship team last year.

Otto Graham, the former Northwestern basketball and football all-America, headlines the Browns cast. He will also present the championship trophy to the winner of the preliminary test between the Bulldogs and Grace Gospel. The latter clubs will be playing for the championship of the Friendly House junior tournament.

Tickets for the benefit program are $2 for reserved seats and $1 for general admission. The added ticket cost will insure the Friendly House more money to equip the gymnasium.

Plenty of reserved and general admission tickets will be on sale at the door tomorrow. All reserved seat holders will get a large picture of the Cleveland Browns football club.

Around the Baseball Drill Camps

PASADENA, Calif., — (UP) — The Pittsburgh Pirates sought their fourth victory in as many starts in a game against the Chicago White Sox here today. The Pirates remained unbeaten in the Citrus league by whipping Chicago, 4 to 1, yesterday at San Bernardino.

Bob Chesnes, Bill Wherle and the veteran Hugh Casey held the American leaguers to four hits. Cass Michaels' triple off Chesnes in the second inning after Gordon Goldsberry had walked produced the only sox run. Ed Fitzgerald's triple in the seventh with Wally Westlake on base tied the score. In the eighth the bucs fell on Ernie Groth for three more, with Les Fleming's double the big blow of the inning.

Cliff Chambers, Hal Gregg and Bob Muncrief will pitch for the pirates against Howard Judson, Floyd Bevens and Walter Pierce for Chicago in today's game.

★

Yankees . . .

ST. PETERSBURG, Fla., — (AP) — Allie Reynolds, who figures strongly in the New York Yankee pennant hopes, was scheduled to make his first start of the year today against the St. Louis Cardinals.

Reynolds won 16 games and lost 7 last year after compiling a 19-8 record for the Yanks' 1947 World Champions.

★

Cardinals . . .

ST. PETERSBURG, Fla., — (AP) — The St. Louis Cardinals today still were seeking their first victory in the Grapefruit league.

Woe upon woe is piling up on manager Eddie Dyer. Not only did the Boston Braves blank the birds, 5-0, yesterday, but catcher Del Rice fractured a bone in his right wrist and will be out of action about two weeks.

The cards, who engage the New York Yankees today, have scored but one run in 24 innings.

★

Braves . . .

BRADENTON, Fla., — (AP) — Boston's Braves, who will play the Cincinnati Reds today in a National League pre season exhibition ball game, have several players with Minor hurts.

Listed as ailing among the National league champions are third baseman Bob Elliott with a sore throwing arm, catcher Bill Salkeld with a stiff back, Lefty Warren Spahn with a heel blister, Nels Potter with a slightly stiff shoulder which he says is "customary in the spring," and Phil Masi with stiff leg muscles.

★

Pirates . . .

SAN BARNARDINO, Calif., — (AP) — Les Fleming, former Cleveland Indian who played with Indianapolis of the American association, will be a cinch to play regular first base for the Pittsburgh Pirates if he continues his present pace.

Yesterday Fleming banged out two hits out of four trips to drive in two runs and insure a 4-1 victory over the Chicago White Sox. Only the day before he doubled twice as the Bucs beat the Chicago Cubs in another exhibition.

Red Sox . . .

SARASOTA, Fla., — (AP) — Boston's Red Sox will revert to practice today, a day off in Grapefruit league play.

The Sox who bested the New York Yankees 4-1 yesterday despite getting only a half dozen hits, will play the St. Louis Cardinals tomorrow. Manager Joe McCarthy hasn't decided the makeup of his team against the Cards but he is almost certain to give several "irregulars" a chance.

★

Reds . . .

TAMPA, Fla., — (AP) — Playing Boston is getting to be a habit with the Cincinnati Reds.

The Redlags split a pair of Red Sox and, after a day of the deadly dull routine drill, they'll take on the Boston Braves here today.

Manager Bucky Walters said he'd send Herman Wehmeier a Cincinnati home town boy, Red Lively and Kenny Brukhart to the mound against the defending National league champions.

★

Tigers . . .

CLEARWATER, Fla., —(UP) — The Detroit Tigers still were seeking their first victory of the spring training season as they sent pitchers Freddy Hutchinson, Saul Rogovin and Lou Kretlow against the Philadelphia Phillies today.

The Phillies, victors over the Tigers in both ends of a weekend series, grabbed a 4 to 3 decision from the Washington Senators yesterday at Orlando on a two-run homer by Eddie Waitkus in the ninth inning.

★

Dodgers . . .

WEST PALM BEACH, Fla., — (UP) — The Brooklyn Dodgers, with negroes Jackie Robinson and Roy Campanella in their lineup, were scheduled to play the Philadelphia Athletics today in a game billed as the first mixed athletic contest in the city's history.

Baseball Goes Before Court 3 Times Today

NEW YORK — (UP) — Organized baseball, which must appear before the Bar of Justice in Federal court today to answer the re-instatement demands of three suspended players, was expected to ask for a delay in the hearings

Lawyers for the national pastime were reported ready to ask Judge Edward A Conger for more time in which to prepare their cases and one of the players' lawyers said he was determined to battle grimly against any delay at all in the proceedings

MUST SHOW WHY

Baseball has been ordered to show up in court and "show cause" to Judge Conger why players Max Lanier, Fred Martin, and Danny Gardella should not be restored at once to active duty in the game

All three players are under a five-year suspension meted out to them by baseball commissioner A B. Chandler for jumping to the Mexican league in 1946 Lanier and Martin, in one action have asked for a court order for immediate reinstatement and Gardella has asked the same thing in another legal action

BeeGee Five Knocks St. Louis Out

NEW YORK—(AP)—Four outsiders who staged perhaps the greatest mass expulsion of favorites in the history of basketball will square off Thursday night in the semi-finals of the national invitation tournament

Loyola of Chicago will meet Bradley university and Bowling Green of Ohio will face San Francisco in an all-Cinderella team lineup at Madison Square Garden

Gone are Kentucky, the nation's No. 1 college quintet acclaimed in some quarters as the best ever; defending champion St. Louis university and the two other seeded entries—Utah, No. 3, and Western Kentucky, No 4.

They went out in one giant sweep of the underdogs' broom in a matinee and evening quarter-final session yesterday that left huge Garden turnouts gasping for air

TWO ON 'CHECKS'

Two of the survivors are clubs that got into the tournament on rain checks when the committee decided to pick an oversized field —Loyola and Bowling Green

It was these two teams which knocked over the tournament's top-ranked powers — Kentucky and St Louis, figured to carry an old rivalry into Saturday's final

Loyola stunned the Kentucky Wildcats with a great surge in the final minutes, 67 to 56 Bowling Green, big and fast, manhandled a silk-smooth St Louis, 80 to 74

To complete the rout, Bradley bowled over Western Kentucky, 95 to 86, and San Francisco, without a senior on its squad, humbled Utah, 64-63, on Frank Kuzara's 35-foot one-hand shot in the last seconds of play.

The Wildcats will come back to New York for the eastern NCAA eliminations Monday night They play Villanova in one game while Illinois, the Big Nine champion faces Yale, the Ivy victor in the other

Jack Kerris, Loyola's six-foot-six center, kept a firm check on Kentucky's big All-America, Alex Groza, holding him to 12 points and scoreless in the last half Kerris also tossed in 23 points

Groza fouled out with five minutes to go in the game Wallace (Wah Wah) Jones went out earlier on personals

INDIVIDUAL DUEL

The St Louis-Bowling Green game featured an individual duel between the Billikens' effortless All-America center Ed Macauley, and the Falcons' gigantic Chuck Share, who stretches six feet-11 and weighs 235 Held to three points in the first half Share connected for 12 in the last for a 15 total Macauley scored 19

Gene Dudley, a Bowling Green substitute, scored five quick points in the last two minutes to clinch the verdict for the Ohioans when it appeared the seesawing contest could go either way

IT'S A NEAT TRICK IF YOU CAN DO IT—But that's what Kenny McCally (left) and Jimmy Anderson of the Senior high Tygers have been doing—boosting an endless stream of basketballs through tournament goals The two youngsters made the all-district tournament team at Sandusky as McCally scored 37 points in two games and Anderson tallied 33. Senior High Wins With Fine Balance; Anderson, McCally Make Tourney Team

By FRED THARP
(News-Journal Sports Editor)

A fine over-all balance has put the Mansfield Senior high school team where it is today—in the top 16 in Ohio's annual Class A dribble derbies

And the easiest way to prove it is by the records Since the five present starters have been molded together as a unit, only two games have gone by the boards and those by a total of three points The present quintet of Jimmy Anderson Ed Demyan, Norb Shibinski, Paul Ferguson and Ken McCally started functioning as a well knit unit with the Akron North contest

Since then the Tygers have won 12 and lost but two, five of the wins coming along the tournament trail. During that 11-game period the Bengals have scored 801 points, an average of 57 2. Defensively they have allowed 606 points, an average of 43.3. Before that the Tygers had won six and lost five.

Then, too, all tournament teams give a good indication of balance Ferguson, Demyan and Shibinski landed on the all-sectional team and the other pair—McCally and Anderson,— were listed on the all-district team announced today In each case every other member of the first five wound up as a second team choice

The Tygers are a hard working lot and are dead serious about adding the Toledo regional scalp to their tournament victory list Mansfield meets Bowling Green Friday at 7 30 p m in the Toledo U fieldhouse and, if victorious, will battle for a state tournament berth Saturday night

Anderson and McCally, a pair of lads who will be back next season, have been the top scorers in each tourney Anderson topped the sectional field with 38 and McCally got 37 in the two district games Anderson was second at Sandusky with 33

Two Bellevue and one Fostoria player joined the torrid Tyger tandem on the all-district squad. Carlos Jackson, Fostoria, teamed with Anderson at forward while Milt Bruckner and Jim Lepley were the Bellevue choices.

McCally and Bruckner were the only unanimous choices Anderson had four first team ballots but did not place on the fifth

The top choice on the second team was Ferguson who had one first and four second team votes Demyan had two first and one second while Shibinski came in with one first and three second Ted Fox, Bellevue, made one first team but did not place on the other four ballots.

Commercial Keglers Rule Maple Roost

Commercial C leaguers ruled the roost in Mansfield bowlingdom last night as the usually tough Richland A and Club leagues failed to produce any top-drawer scores.

Three C leaguers made the honor roll. Fred Carver of Barnes Meat Market topped the list with a 623 series on games of 196, 181 and 246. His third game tied for single game honors with Jake Streitmater of Urschel Insurance who had other pin counts of 194 and 154 for a 594 series.

Roy Maneese, Wolford Funeral home, came in with 222-190-204—616 Emmett McIntire of Urschel Insurance posted 215-198-196—609

Local 17 did not have a single outstanding score but moved into a tie for first place as it took two out of three games from the previous leader Mansfield Tire. Both teams now have records of 54-won, 27-lost.

Urschel Insurance swept three from Montgomery Ward and Barnes Market took three from the Orphans to stay within one game of the top

Joe Frisch led his Grocery team with a 235 single game and 582 series Bill Black jr., Wolford's, posted 577; R. Adams, Independent Towel, had 575; and Dick Treisch, Barnes, 550.

Bob Henry made news in reverse as he recorded games of 121-201-123

★

Club leaguers were particularly off form as a 182-192-191—565 by Harry Uplinger of American Legion was tops. Even the usually reliable Art Hilborn sandwiched a fine 242 between games of 150 and 165 for a 557 count.

Team standings took a shuffling as the Lions club fell from the lead by taking a three-game drubbing from Doherty's University Club won two of three from Paige Dairy to go into a one-game lead Doherty's, in eighth place, is only three games off the pace of the leaders.

B. Brinning, Amima, tallied 533, R Harper, Doherty's, 528; Pete Linster, American Legion, 522, and Art Kocher, Page Dairy, 521.

★

Ray Kinton of Williams Transfer won a race for individual honors with Tony Santoro of Sons of Italy in the Richland A loop Kinton posted 209-198-160—567 against Santoro's 212-169-185—566

Dale Cleckner, Kozak's Fighting Irish, was in third spot with 534 Leroy Cleckner of the same team cut wood for 532 while Orlie Grable, Richland Recreation, had 522

★

Donna Schuster of Farmer's Market set the pace for Women's Variety league bowlers with a 534 concocted on games of 156, 182 and 196 Bert Bernert of Penn Auto was close behind with 533 and Evelyn Marshman, current city tournament leader, kicked over 521 pins for Larimore Realty.

No others got over the 500 mark but Helen Wilhelm, South Boulevard's Market came close with 498. South Boulevard's had the only sweep as it took three from Wilson Auto Sales.

★

Godman-Rupp leaguers were led by George Columbus who scattered the maples for 181-177-209—567 Dick Noblet counted 553, Cliff Penrose tallied 545, H Hildebrand had 539, Earl Turner 530, Don Bachman 504, and Dean Hahn, 501.

★

Yvonne Alt topped the Mansfield Tire Women's league with 121-160-146—427. Others . Mary McCumber, 408, Joanne Jones, 409; Mildred Roof, 407 and Emma Frontz, 402.

★

Ronald Bachman led the John Simpson bowling league with the very respectable scores of 193 and 180 for a 373 total Forest Wagner was second with 269 and K Harpster had 242

★

Lead in the Richland C handicap league went to R J. Nelson, Vet's Cabs, with 130-201-193—524 while Robert Forsythe, Shenk's Auto, was second with 174-188-145—507

Others N McRwen, Mansfield Lumber, 492; K. Beam, Charm Fashions, 489; J. King, Charm Fashions, 487 and Robert Daugherty, Shenk's Auto, 485

Tribe Goes One Up On New Yorkers

PHOENIX, Ariz.—(INS)—The Cleveland Indians and New York Giants moved back into Phoenix today for round four of their non-stop spring battle.

Right now, Cleveland holds a two-one edge in victories, by virtue of Cleveland's narrow 7-6 overtime win yesterday, and Manager Lou Boudreau was slated to send Bob Lemon and Sam Zoldak to the mound for a try at improving the mark

KENNEDY DOES IT

The Tribesmen were forced to go 11 innings against the Giants in Tucson before right field candidate Bob Kennedy rifled a line drive against the left field wall with the bases loaded

The safety was Kennedy's third hit of the day, and once again stamped him as the leading contender for Allie Clark's right-pasture position. His other two blows included a single and a 370-foot homer over the left field wall of Randolph park.

Several other Redskins also stood out in the day's activities.

Steve Gromek, a pitcher on whom Cleveland is counting this year, went five innings and gave up but two runs Frank Papish, refugee from the Chicago White Sox, followed Gromek to the hill and permitted the Giants only four hits in the next five frames.

Roy Welmaker, the Negro lefthander in camp on a trial basis, was the eventual winner.

MARSH HOMERS

Fred Marsh, rookie shortstop, joined Kennedy in the batting department with a home run and a single in five times at bat. All in all, the Indians connected for but seven hits off six Giant pitchers

Al Rosen and Herman Reich were the only other Redskins to hit safely

Larry Jansen, the Giants' ace, and Andy Hansen were expected to hurl for the Giants today.
